

My daughter is now in the last year of Primary School. She has loved every moment. She has especially treasured how you help them all to look out and look after each other. This has been so important this year, when so many have struggled. Children and Staff alike. As parents, we have appreciated how you have fulfilled your promise and role to our children. Under these unprecedented times and putting the needs and safety of our children first. It has been amazing! Thank you to all at Treloweth - you make an awesome team. A team to be proud of.

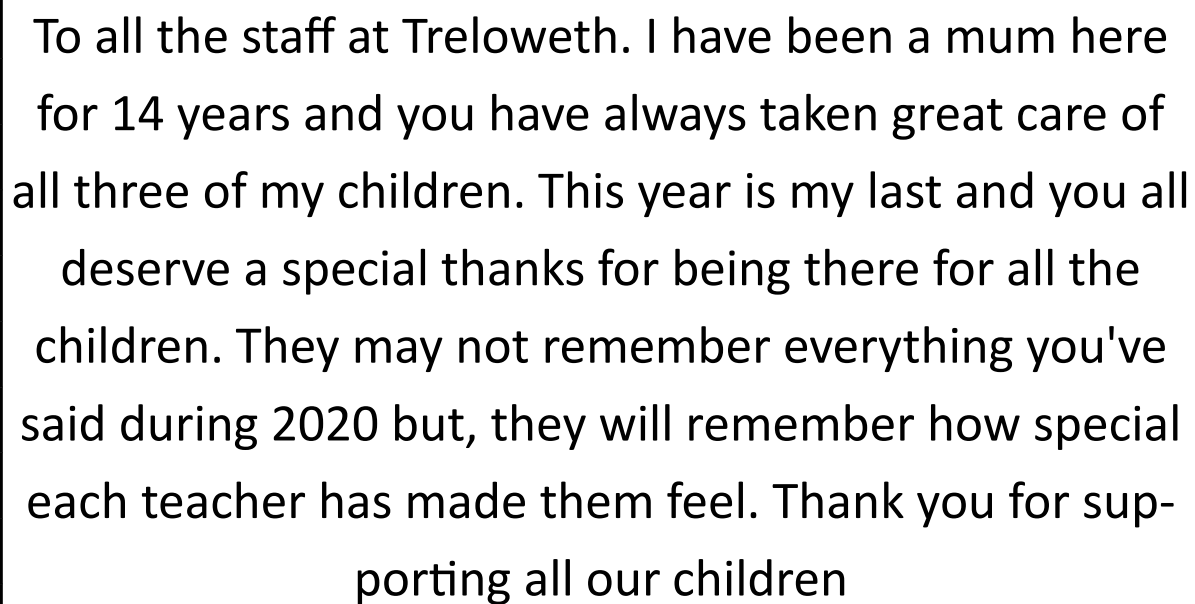

Mrs Salamone, Mrs Eddy and Mrs Lawry - Thank you for being a huge part in our child's transition with starting school at such a difficult and scary time. Thank you for keeping him safe and helping him grow. He absolutely loves school and we thank you for all you do.

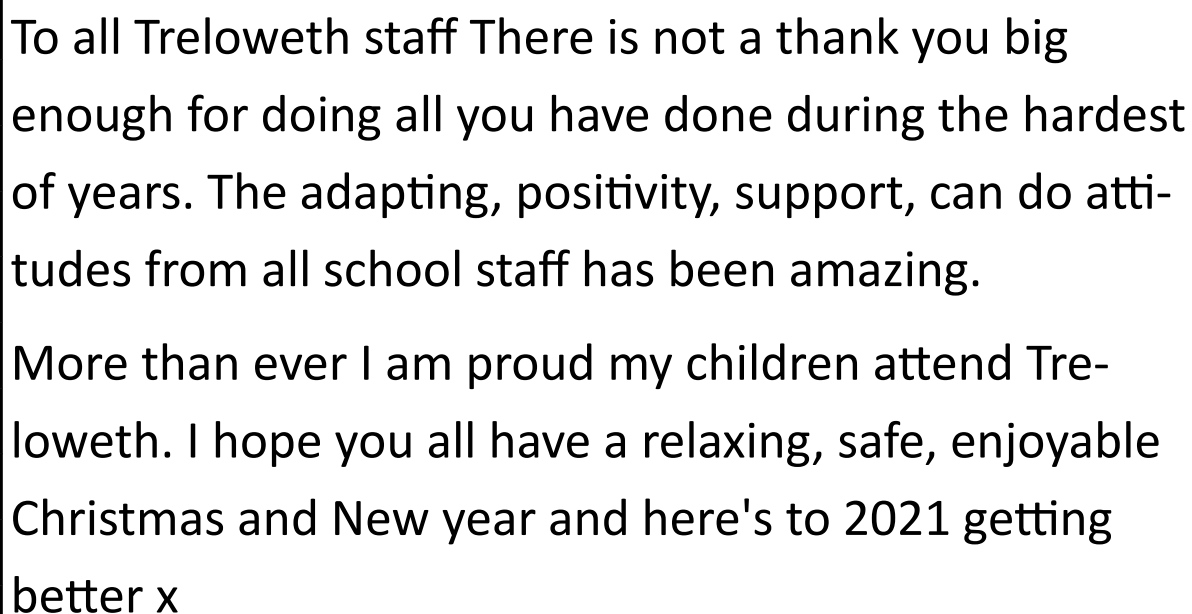

I am new to Treloweth school but cannot speak highly enough. Due to the current restrictions my interaction with staff is limited but I get the bigger picture of a school working together to achieve the maximum attainment and happiness of students. Special thanks to Mrs Willis and her team and Mrs Walpole

Thank you for being fantastic at a very difficult time. The parents of Treloweth are eternally grateful for the dedication, kindness and passion you have all shown towards each and every child.

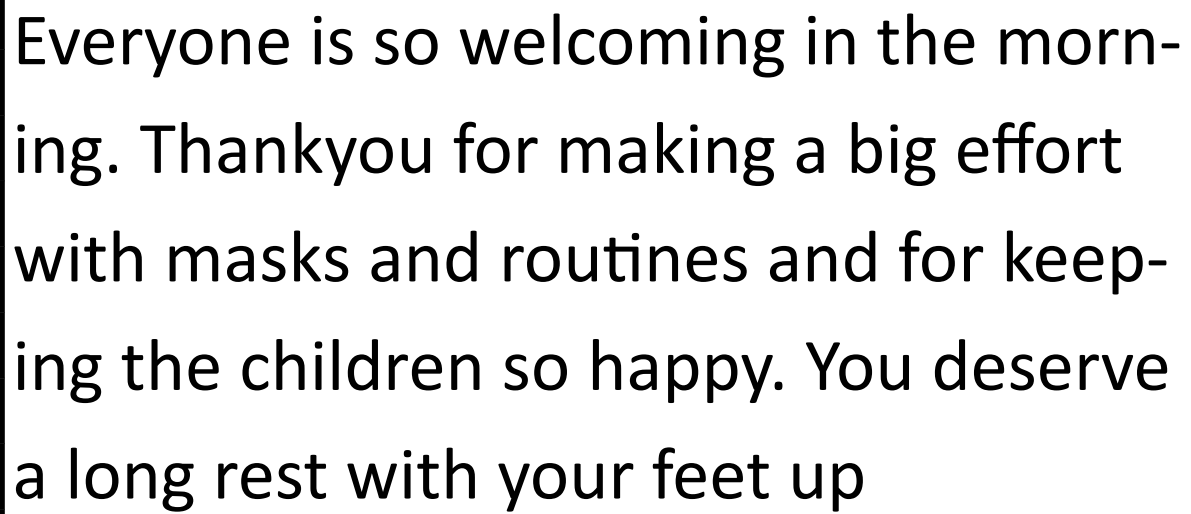

To all the staff at Treloweth. I have been a mum here for 14 years and you have always taken great care of all three of my children. This year is my last and you all deserve a special thanks for being there for all the children. They may not remember everything you've said during 2020 but, they will remember how special each teacher has made them feel. Thank you for supporting all our children

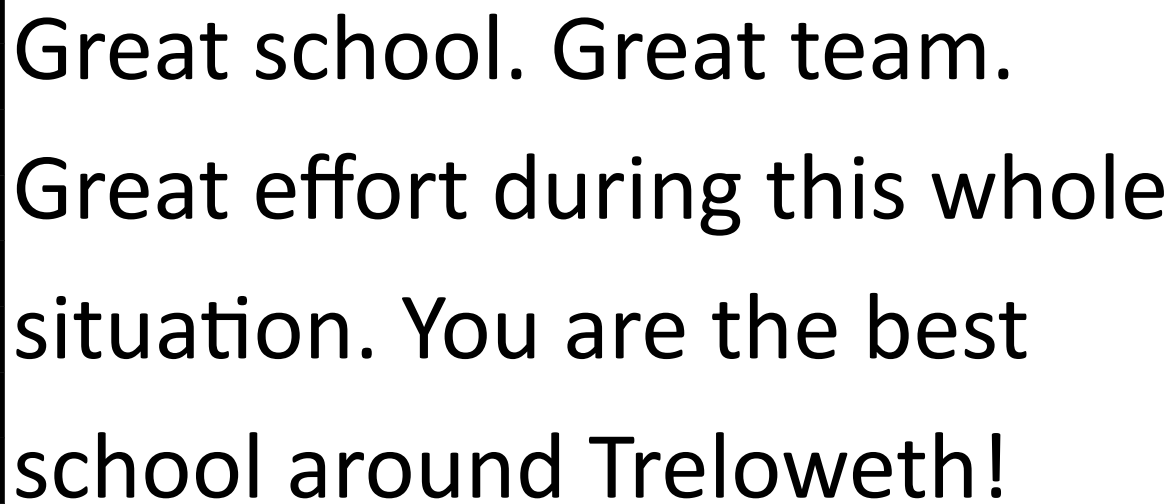

To all Treloweth staff There is not a thank you big enough for doing all you have done during the hardest of years. The adapting, positivity, support, can do attitudes from all school staff has been amazing.

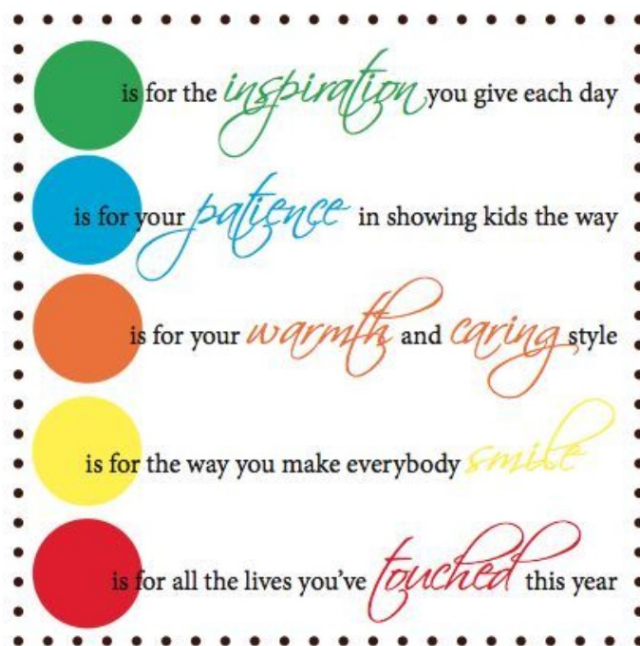

More than ever I am proud my children attend Treloweth. I hope you all have a relaxing, safe, enjoyable Christmas and New year and here's to 2021 getting better x

Everyone is so welcoming in the morning. Thankyou for making a big effort with masks and routines and for keeping the children so happy. You deserve a long rest with your feet up

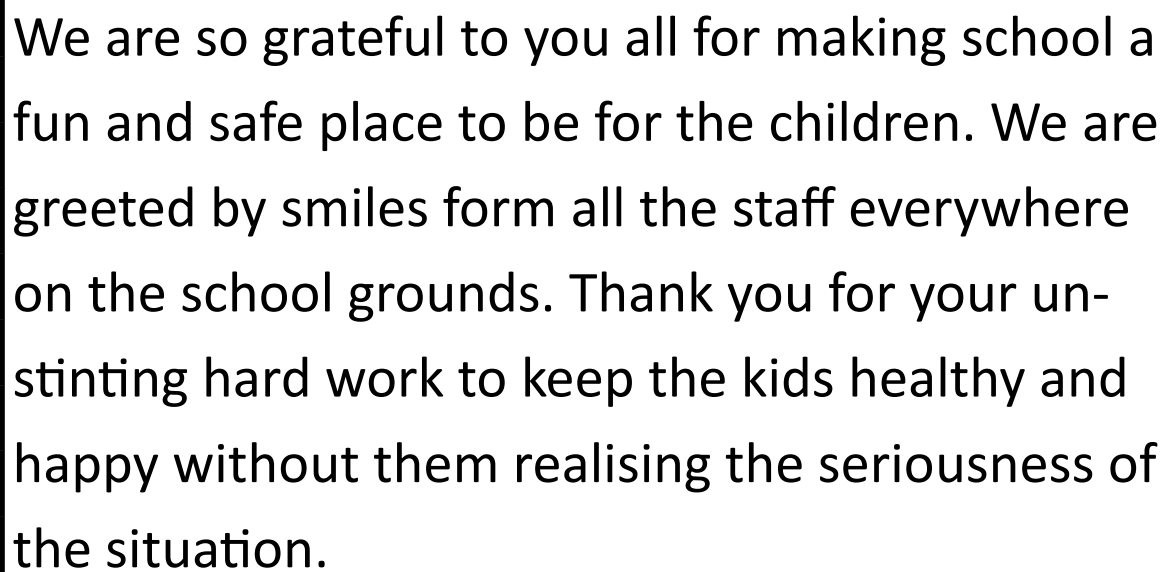

Great school. Great team.
Great effort during this whole situation. You are the best school around Treloweth!

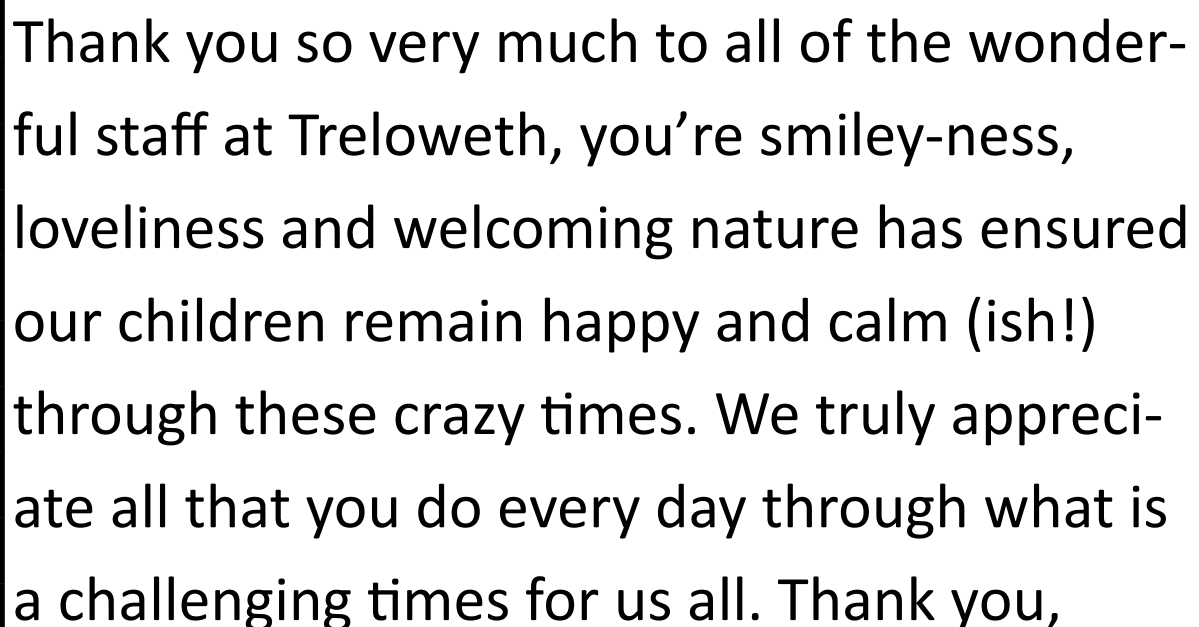

Miss Reburn Thank you so much for everything that you have done to ensure that through these difficult times, my daughter continues to love school. Consistently, enjoying her learning experience and helping her to feel safe in her environment. Not to mention ' thinking the world of her teacher'! She looks forward to school each and every day. This is her final year at Treloweth. You have helped her create memories towards the end of her primary school years which will never be forgotten. You have been an absolute star!

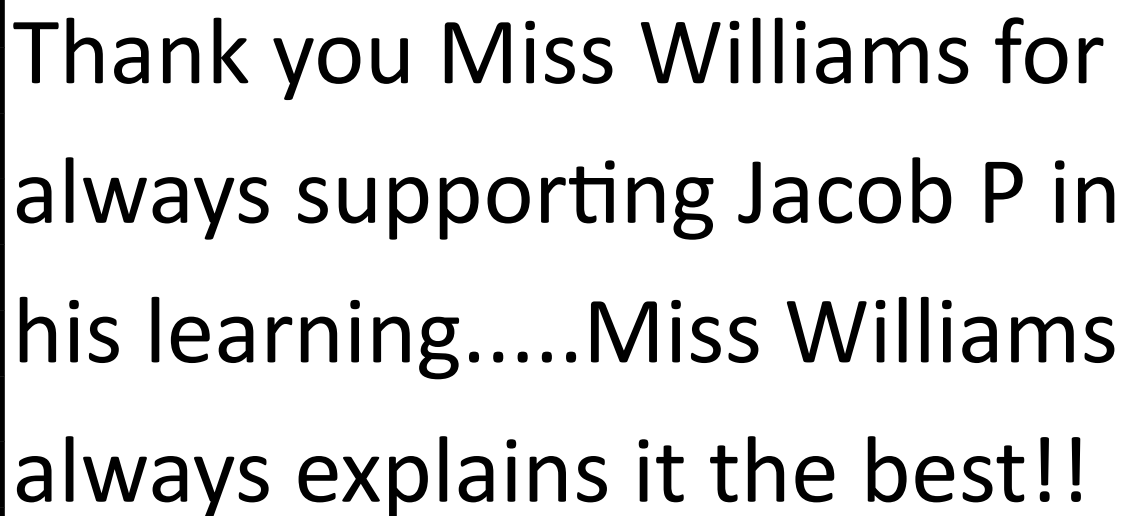

Thank you. We cannot Thank you enough.

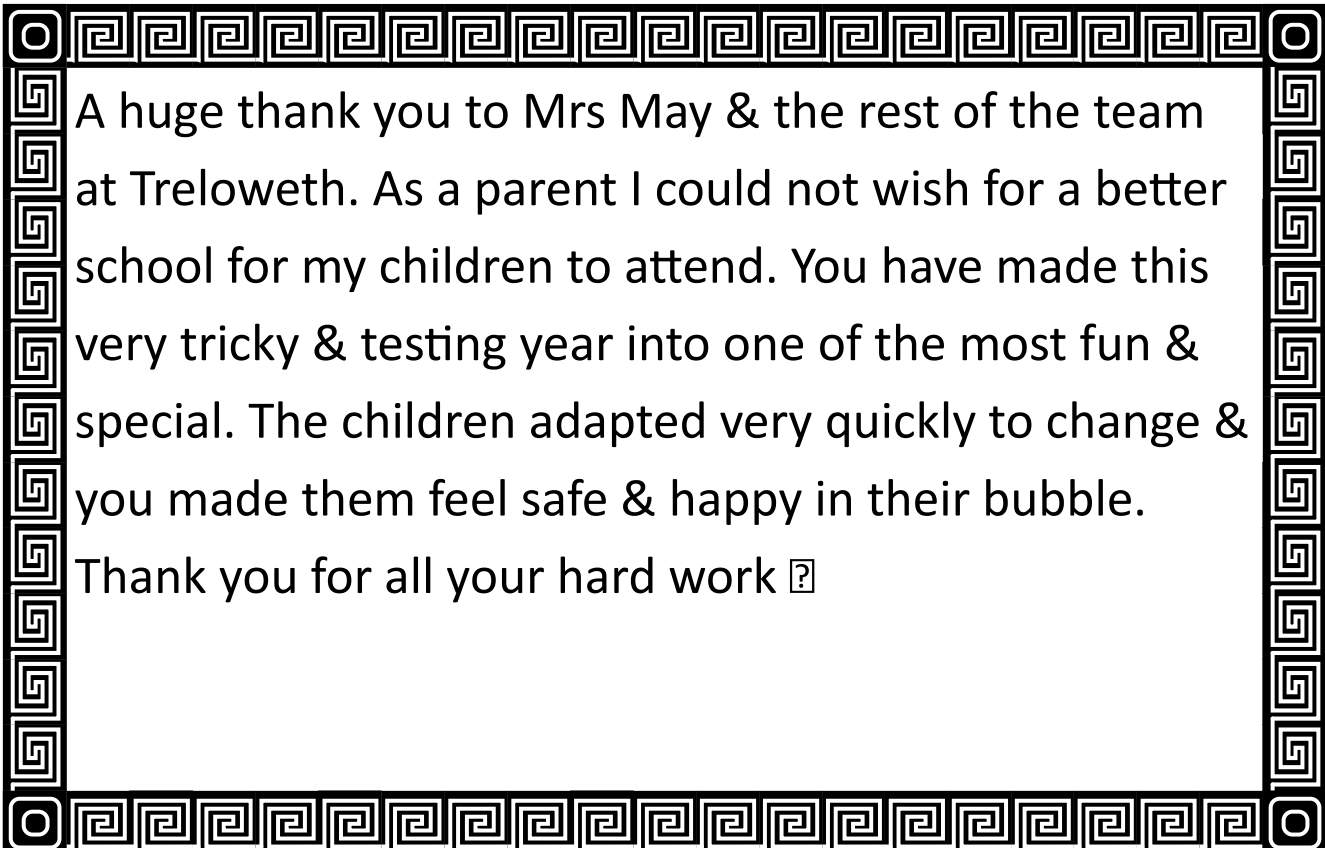

We are so grateful to you all for making school a fun and safe place to be for the children. We are greeted by smiles from all the staff everywhere on the school grounds. Thank you for your un-stinting hard work to keep the kids healthy and happy without them realising the seriousness of the situation.

Thank you so very much to all of the wonderful staff at Treloweth, you're smiley-ness, loveliness and welcoming nature has ensured our children remain happy and calm (ish!) through these crazy times. at Treloweth. As a parent I could not wish for a better
school for my children to attend. You have made this
very tricky & testing year into one of the most fun &
special. The children adapted very quickly to change &
you made them feel safe & happy in their bubble.

the sparkle behind my

Thank you to the fabulous Rainbows and Sunbeams staff that have helped our children to safely and happily transition into primary school at such a difficult time!

Wishing all staff at Treloweth the happiest of Christmases! You have all worked so hard throughout the pandemic and our children have been so incredibly nurtured and supported. We can't thank you enough - you are all superstars! Enjoy a well deserved Christmas break with your families and we will see you for a (hopefully!) much brighter 2021!! Best wishes.

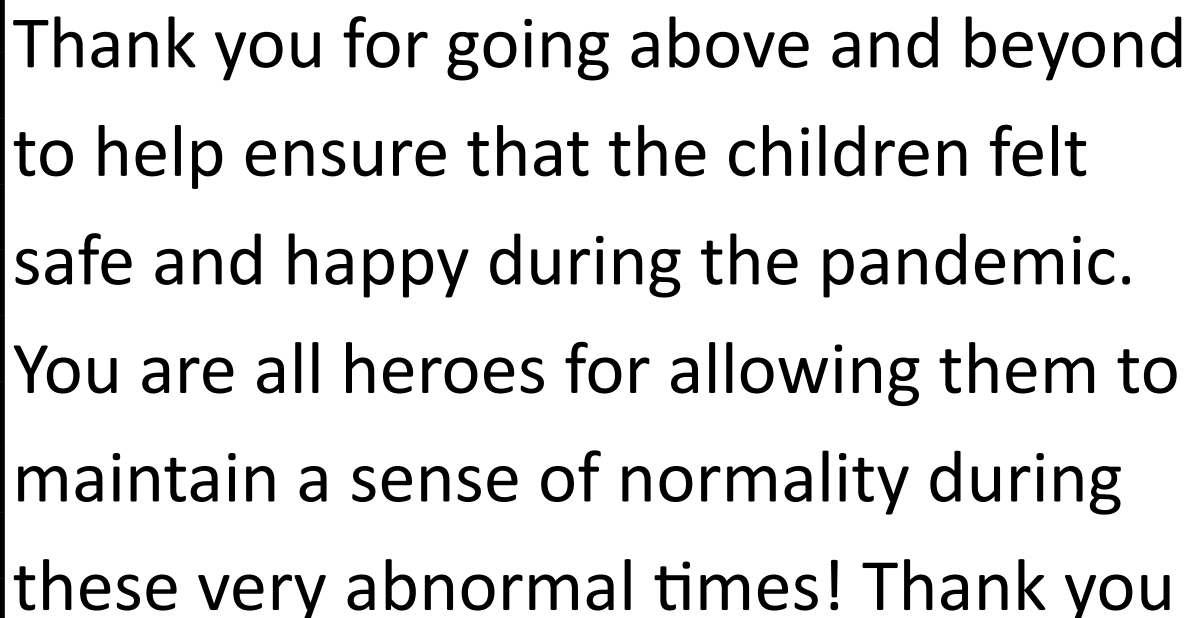

Mrs Warren, (2MW) you have been a brilliant teacher to my child, you must have realised you had big shoes to fill after the children knowing and being taught by Mr Lawrence for two years, but I can honestly say you did it perfectly Thank you and Happy Christmas

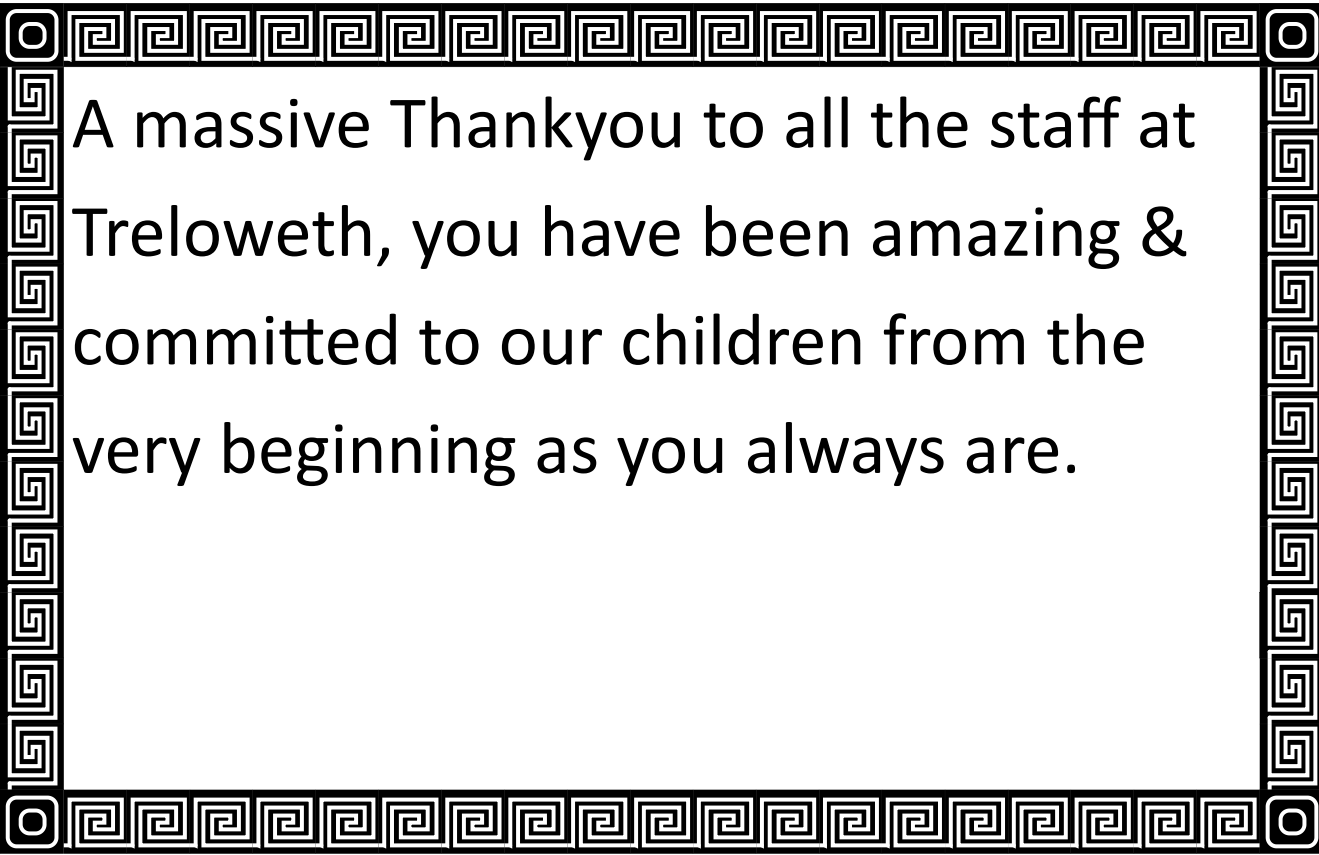

To all the staff and Treloweth.....T'was the week before Christmas and all through the land The teachers were tired of washing their hands Of cleaning the desks, and the drawers and the pens Of reminding their class not to cuddle their friends Of hand gel and soap, of bleach and of wipes Of passwords and google and all things that swipe Of trying to stand at the length of a lion From friends whose shoulders they wanted to cry on

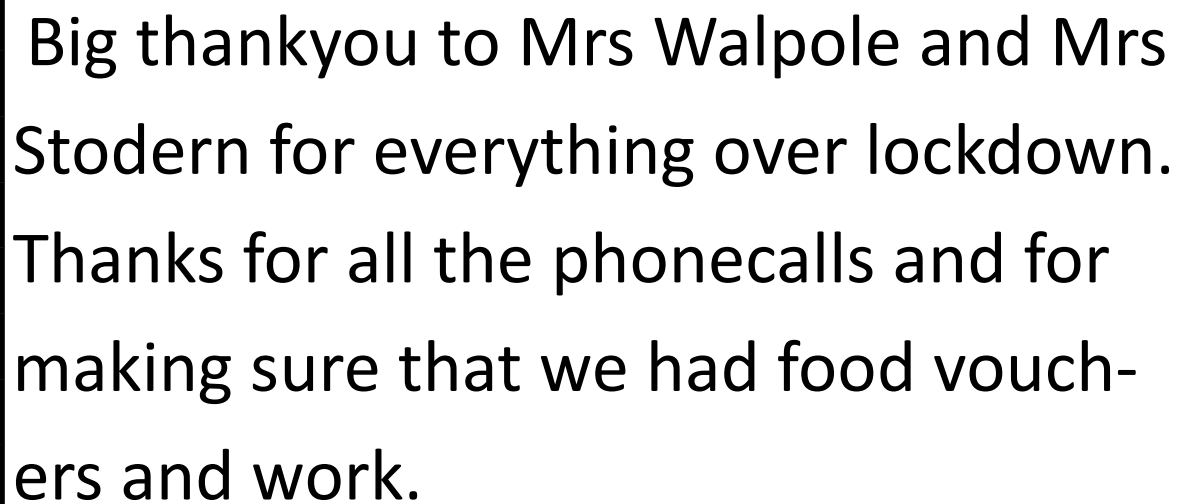

T'was the week before Christmas and all through the land The parents were trying to make up great plans That don't involve meeting, or greeting, or places That in these strange times don't resemble safe spaces They look to the teachers, and all they have done To make school inviting, inspiring and fun To see past the problems, the issues and rules To bring back the joy and excitement of school Thank you being the safe place, the learning For standing there strong with the children returning For finding solutions that don't feel so strange With no funds or magicians to help you arrange For stories and spell-ings and phonics and play For taking the fear of this moment away.

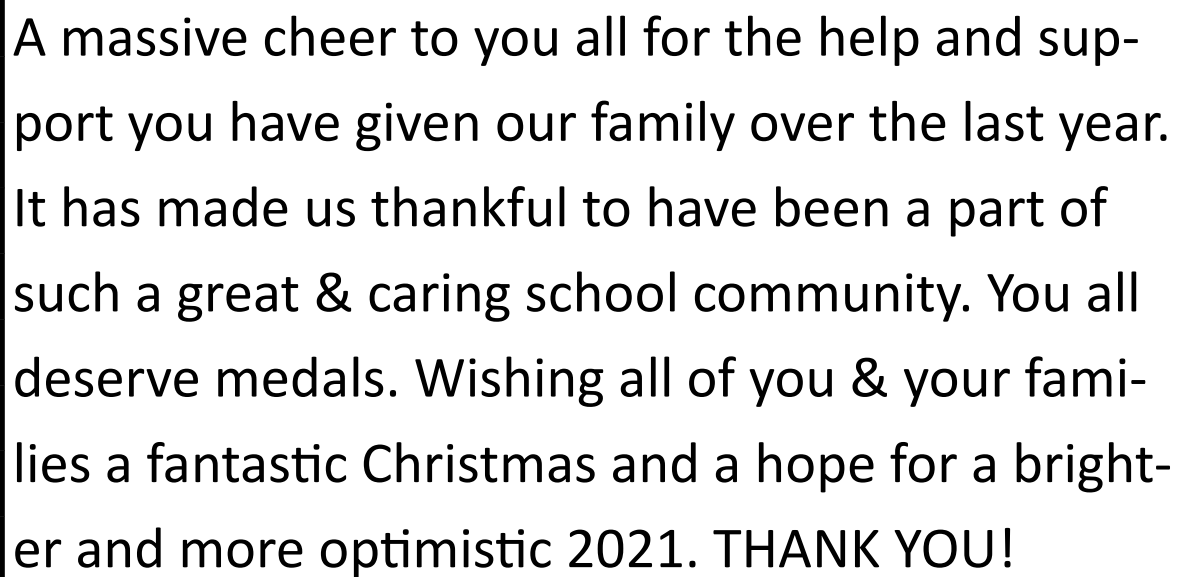

Thank you for going above and beyond to help ensure that the children felt safe and happy during the pandemic. You are all heroes for allowing them to maintain a sense of normality during these very abnormal times! Thank you

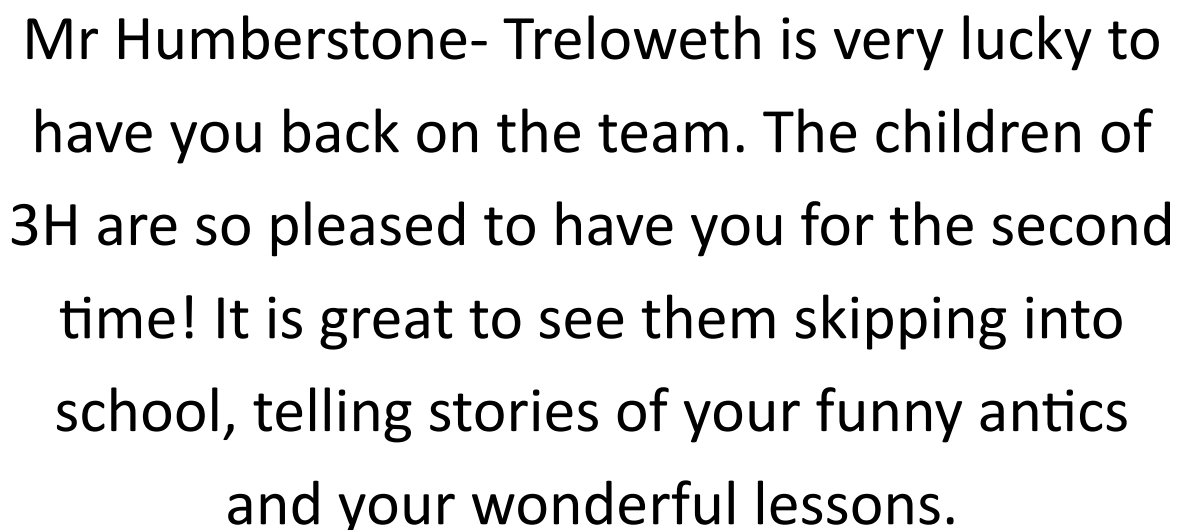

A massive Thankyou to all the staff at Treloweth, you have been amazing & committed to our children from the very beginning as you always are.

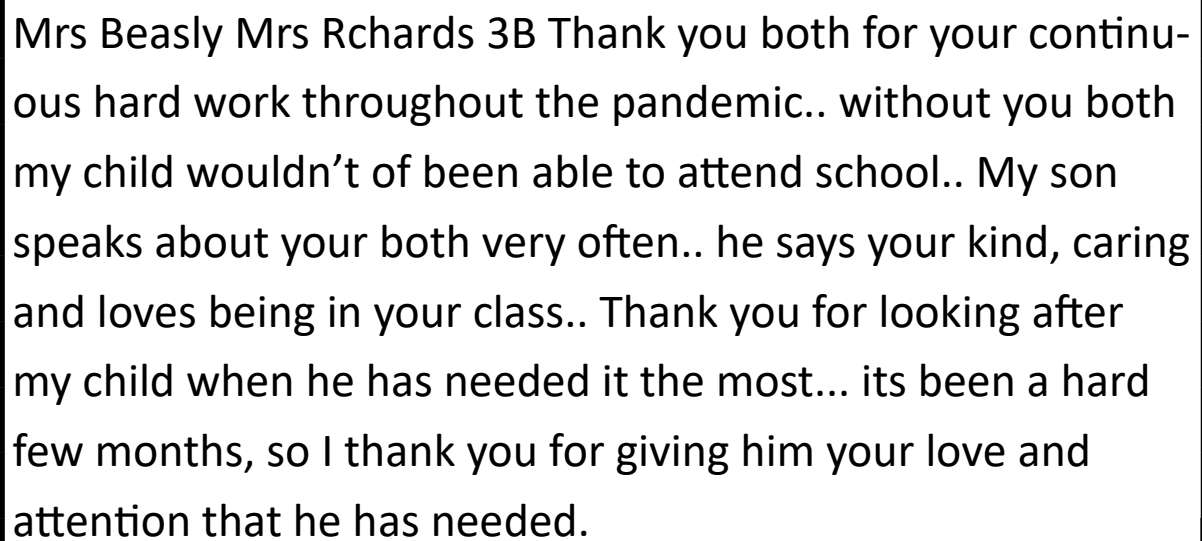

Big thankyou to Mrs Walpole and Mrs Stodern for everything over lockdown. Thanks for all the phonecalls and for making sure that we had food vouchers and work.

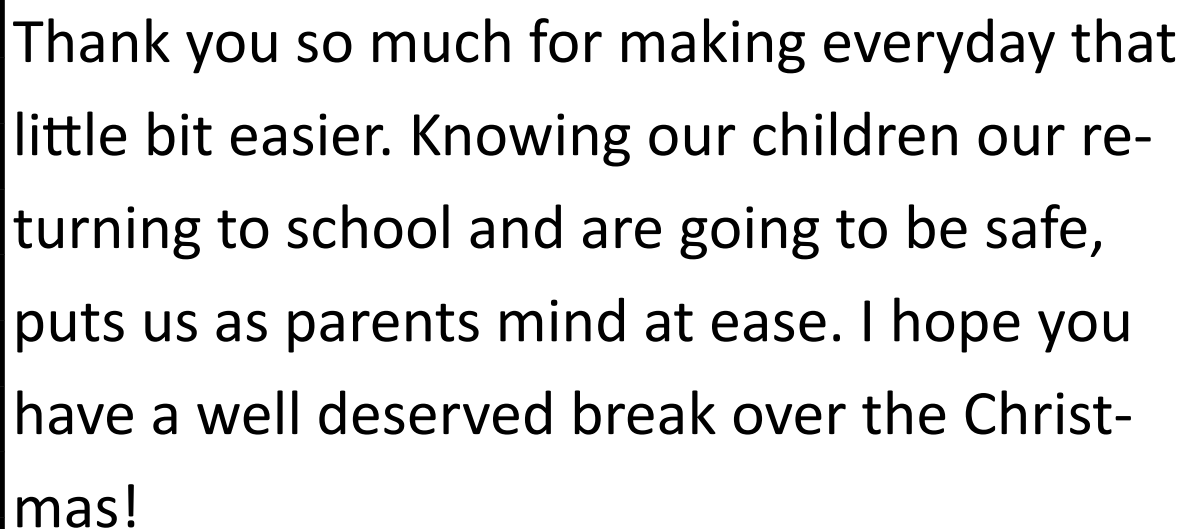

A massive cheer to you all for the help and support you have given our family over the last year. It has made us thankful to have been a part of such a great & caring school community. You all deserve medals. Wishing all of you & your families a fantastic Christmas and a hope for a brighter and more optimistic 2021. THANK YOU!

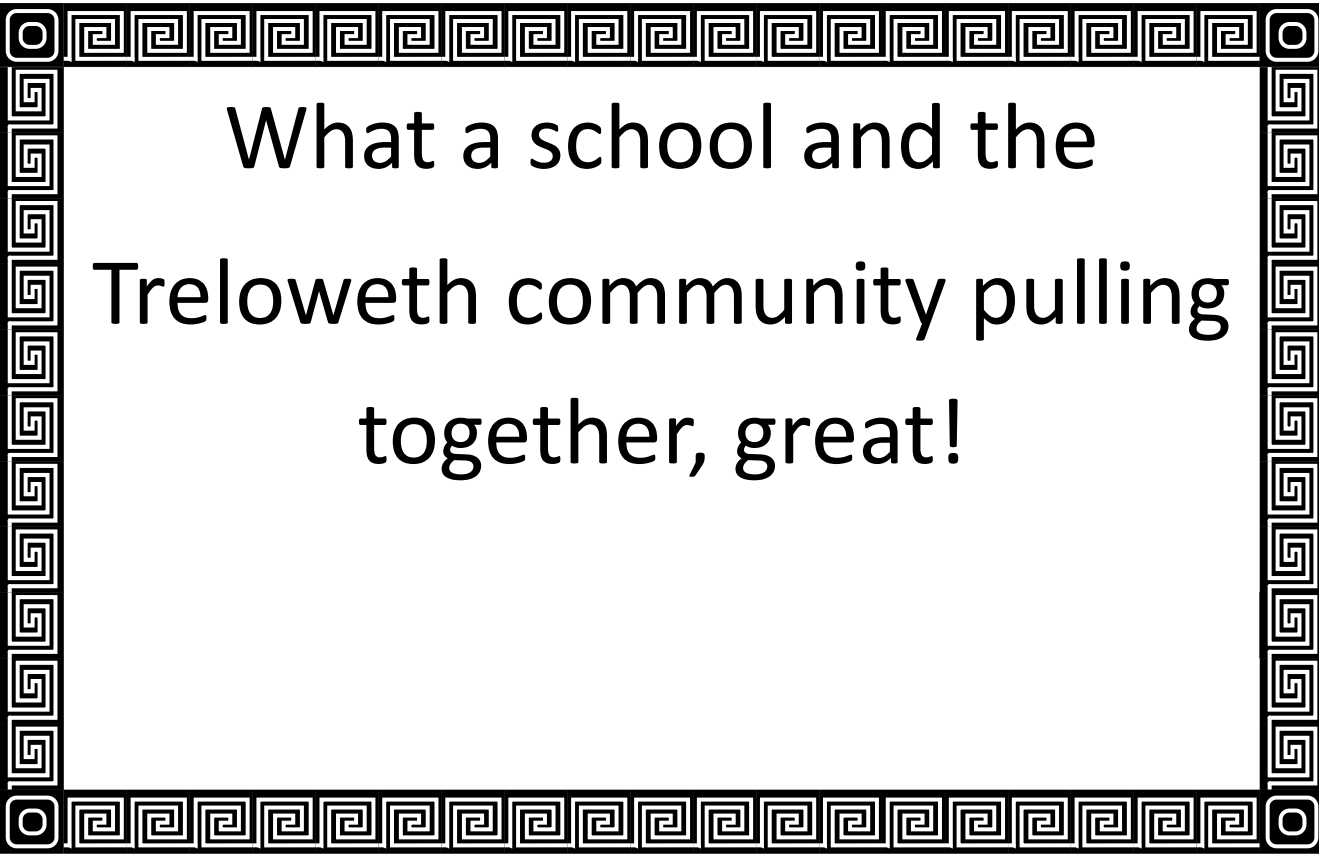

Mr Humberstone- Treloweth is very lucky to have you back on the team. The children of 3H are so pleased to have you for the second time! It is great to see them skipping into school, telling stories of your funny antics and your wonderful lessons.

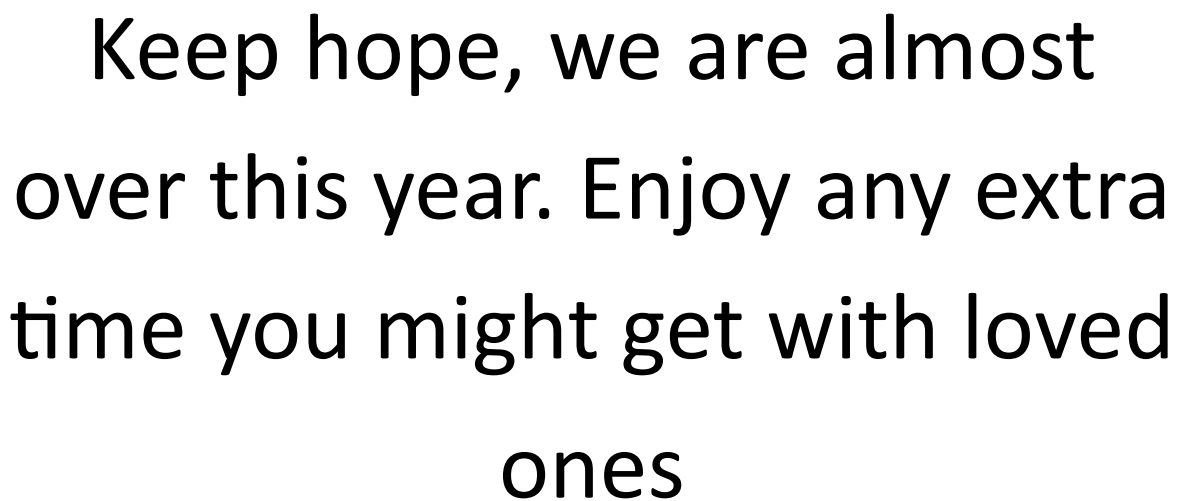

Mrs Beasley Mrs Richards 3B Thank you both for your continuous hard work throughout the pandemic.. without you both my child wouldn't of been able to attend school.. My son speaks about you both very often.. he says your kind, caring and loves being in your class.. Thank you for looking after my child when he has needed it the most... its been a hard few months, so I thank you for giving him your love and attention that he has needed.

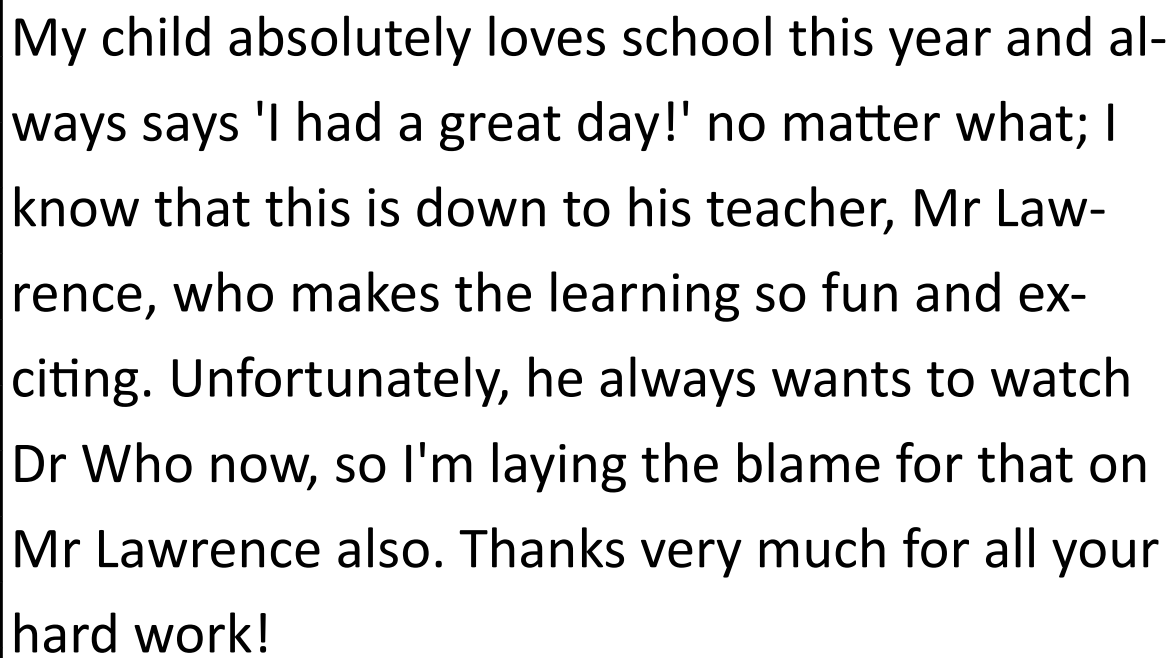

Thank you so much for making everyday that little bit easier. Knowing our children our returning to school and are going to be safe, puts us as parents mind at ease. I hope you have a well deserved break over the Christmas!

Treloweth community pulling
together, great!

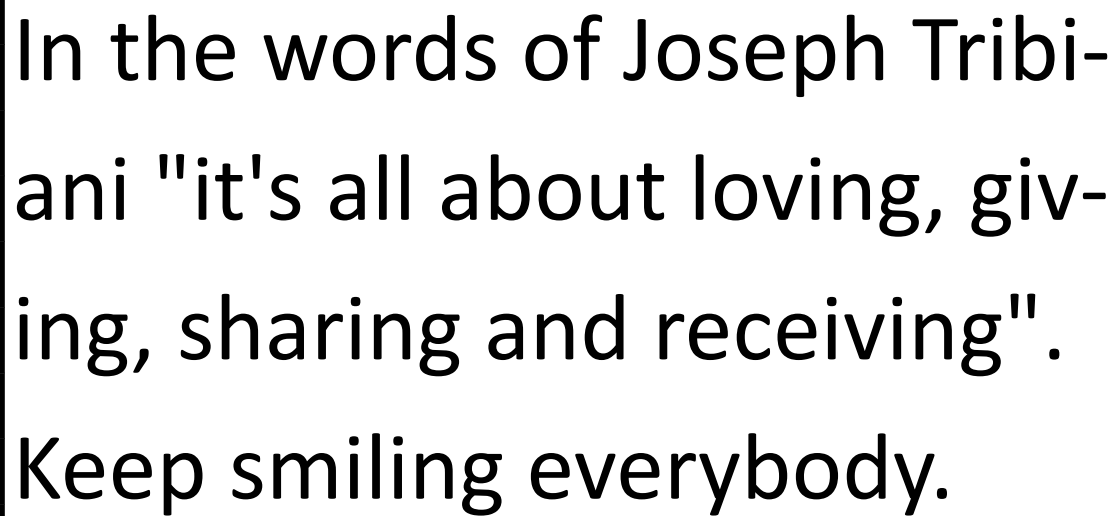

Keep hope, we are almost
over this year. Enjoy any extra
time you might get with loved
ones

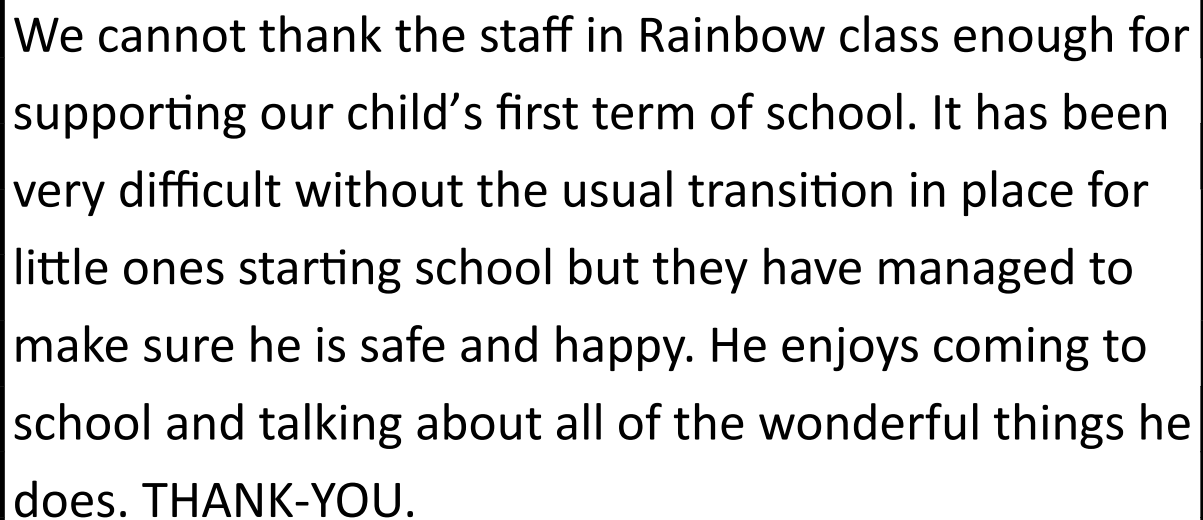

My child absolutely loves school this year and always says 'I had a great day!' no matter what; I know that this is down to his teacher, Mr Lawrence, who makes the learning so fun and exciting. Unfortunately, he always wants to watch Dr Who now, so I'm laying the blame for that on Mr Lawrence also. Thanks very much for all your hard work!

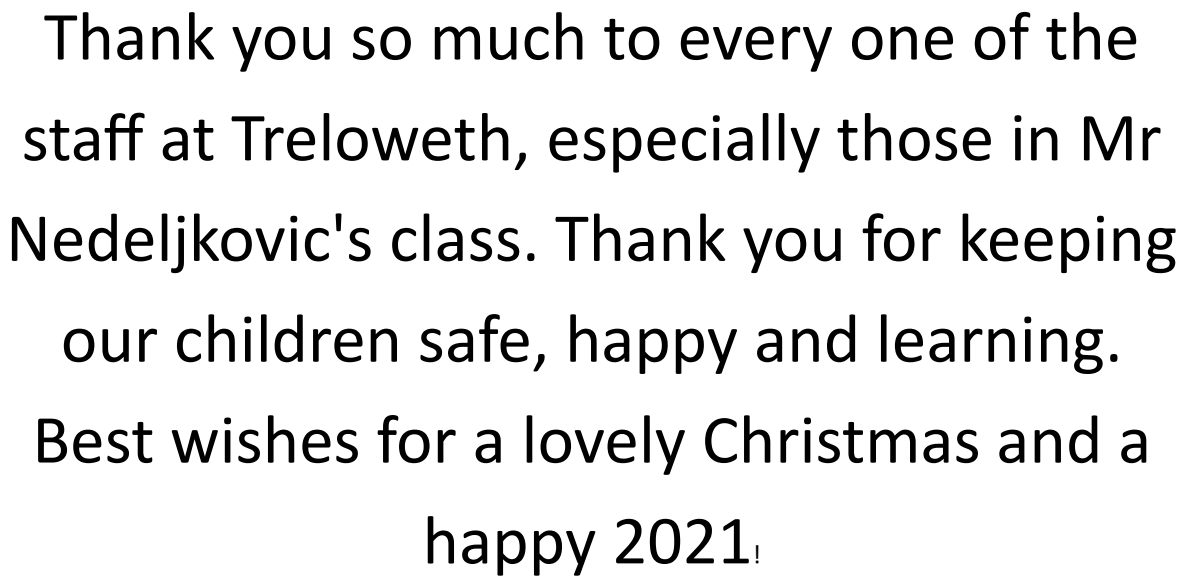

Thanks to all the staff at Treloweth for the effort, support and kindness you have all put into our children's education during this difficult time. Special thanks go to Mrs Wallis for the way she has helped my child transition into school life and to Mrs Warren who has built on the already fab work of Mr Lawrence in getting my daughter to where she is after 6 months off. You are all a credit to the school. Thank you.

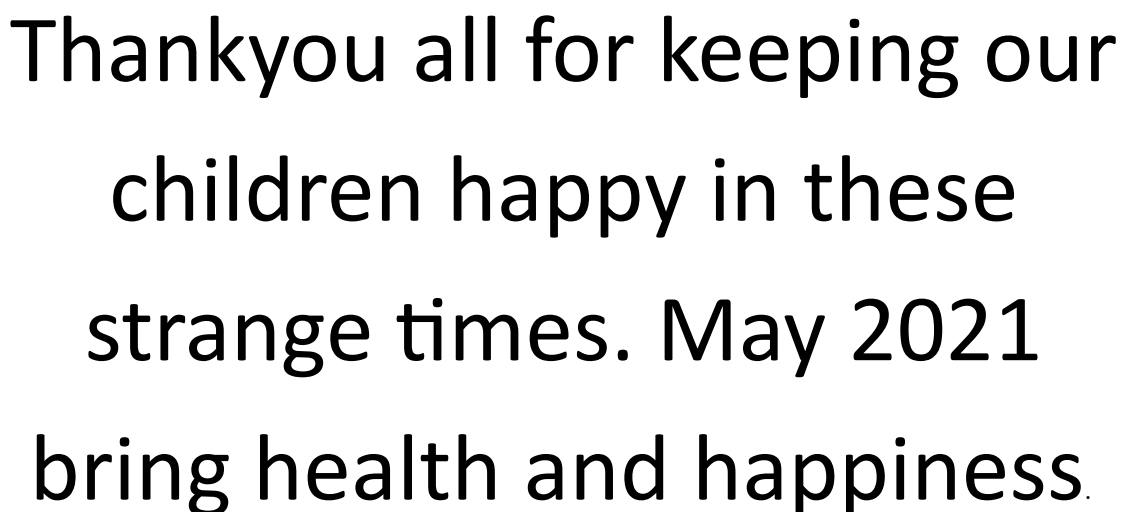

In the words of Joseph Tribi-
ani "it's all about loving, giv-
ing, sharing and receiving".
Keep smiling everybody.

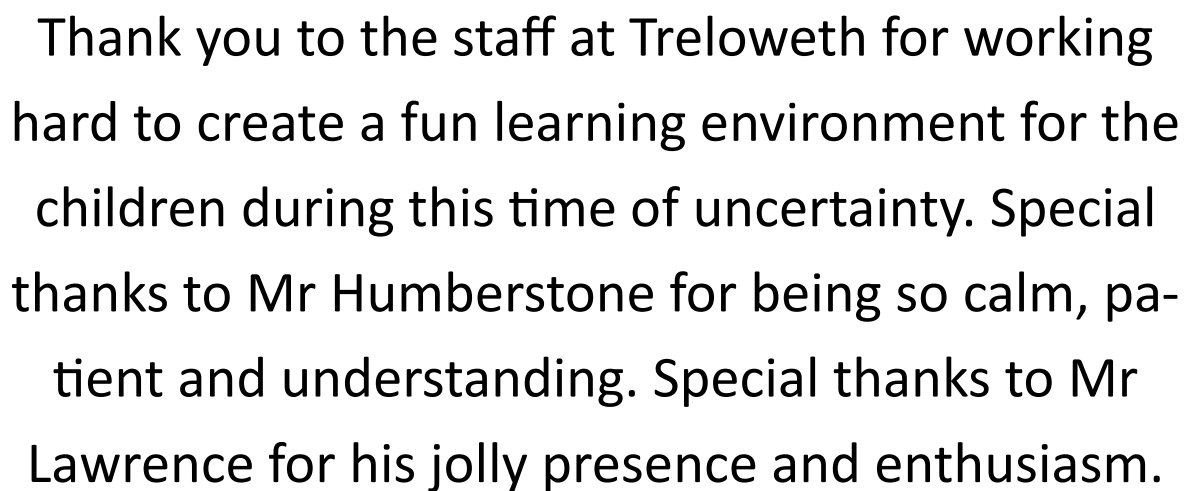

We cannot thank the staff in Rainbow class enough for supporting our child's first term of school. It has been very difficult without the usual transition in place for little ones starting school but they have managed to make sure he is safe and happy. He enjoys coming to school and talking about all of the wonderful things he does. THANK-YOU.

Whilst 2020 has been a pretty scary one for most, it's also shown that community spirit is still very much alive.

My husband and I both work for NHS, we've been dealing with various challenges throughout 2020....together with you!! Thank you for putting up with different government restrictions but even BIGGER THANK YOU for dealing with various demands and requests from parents during that situation. You faced even bigger challenge when school reopened fully in September and you did very well. It didn't go unnoticed all of you wearing face masks from the very beginning of the term, standing by the gates with the smile no matter what goes on in your own lives.....rain or shine!!!!!!! Thank you for always smiling (you can certainly see the friendly faces behind face coverings), for helping our children to adjust to a new sense of 'normal', for always saying 'good morning', for welcoming the children at the gates and getting to know them by name (Mr Shaughnessy), for teaching and caring for our children and for making school so fun and engaging (Mrs Wallis & Sunbeams staff).
