

THE CHOUGH

Date: Friday 13th January 2023

Happy Friday folks!

Hope that you've had a good week and great start to the new year.

On Tuesday 3rd January, all staff were trained in teaching reading fluency. This is a project a few of us started at the beginning of the year and we have been so delighted with the results and accelerated progress made by those children, that we have now all had the training and will be using the techniques in lessons and with smaller groups. I hope to be able to share some videos with you so that you can see how we teach reading for fluency in action!

IMPORTANT DATES:

Number day -
Friday 3rd
February

Half term - 13th-
17th February

Monday 20th
February - INSET
Day (Non-pupil
day)

Last day of term
- Friday 31st
March 3.15pm
finish.

St Piran's Day
Parade -
Saturday 4th
March

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

THE CHOUGH

The children have settled back in incredibly well this term and we've hit the ground running with some inspiring Healthy Schools workshops over the last two days, where the children have gained some fantastic knowledge about how to stay healthy.

We are all looking forward to beginning our enrichment clubs next week and are proud to say that everyone who applied will be invited to one of their choices! We are sure the children will have a fantastic time getting involved in the wonderful extra curricular opportunities we offer here at Treloweth.

As part of our 'Culture of the Heart' lessons, we asked the children and staff which values best describe the school and after much deliberation and voting, we have chosen the words HAPPY, SAFE, LOVED, CELEBRATED, INCLUDED and RESPECTED. These words describe how we all wish to feel as part of the Treloweth family. Don't be surprised if you see them up and around the school in due course.

Have a lovely weekend.
Best wishes, Mrs May

THE CHOUGH

Our Maths Whizz
Superstar classes this
week:

	5S - Y5	27
	2R - Y2	26
	3N - Y3	26

Maths-Whizz[®]
by **whizz** EDUCATION

Rainbows and Sunbeams

Reception we have been learning how to compare amounts using language of 'more than', 'fewer than' and 'equal to'. We have been finding lots of practical ways to show our understanding: filling containers and comparing them with our friends.

Year 1

In Year 1, we are building on our super computer skills. We are now learning to control the mouse using the track pad. We created wonderful flowers using an online program.

Year 2

In year 2, we have been creating collages using ripped paper to create a colourful landscape.

Year 3

In design and technology, year 3 have been designing and making healthy sandwiches. They have learned about where food comes from, how to be safe in the kitchen and how to use kitchen equipment. The results were fantastic and the children thoroughly enjoyed eating them at lunchtime!

Year 4

In Year 4, we've had a very busy week with the start of our swimming lessons followed by a session with Healthy Cornwall. The children really enjoyed learning about how to care for their teeth and finding out how much sugar is contained in some popular soft drinks.

Year 5

We've had a busy Friday in Year 5! 5D and 5S created some delicious seasonal soups and 5S have worked in collaboration with the RAF to create gliders. We are so proud of how well they worked in teams and of the final products produced.

Year 6

This week, Year 6 have been practising and performing poetry. They focused on: using a clear voice that their audience can hear; using intonation in their voices to bring personality to the performance and the use of different volumes to emphasise certain points.

Great work, Year 6!

PIC-COLLAG
