

Year 1 Geography [*Links to topics and resources](#)

Year 1	Steps to knowing...					End Point statement
Reading maps, atlases and globes	I know that maps give information about the world.	I can use maps to talk about everyday life. For example, where I live, my journey to school and where places are in a locality.	I can use world maps, atlases and globes to identify the UK and its countries.			I can use maps, atlases and globes.
Compass directions	I can use directional vocabulary. e.g. Left, right, up and down	I can say which direction is North and South.	I can identify the North Pole, South Pole and the equator.			I can identify the North Pole, South Pole and the equator.
Titles, symbols and keys	I can locate the title on a map.	I recognise that maps need a title.	I can give a map an appropriate title.			I can identify the title on a map and give my own map a title.
Aerial maps	I can explain what an aerial photograph is (taken from above).	I can find information on aerial photographs. e.g. roads, buildings, fields.				I can find basic information on an aerial photograph.
Creating maps	I can reflect on previous maps I have seen and their features.	I can identify the key features that need to be on my map.	I can write the names of places on my map.	I can give my map a title.	I can draw a simple map.	I can draw a simple map (real or imaginary).

Vocabulary

Left, right, up, down, roads, buildings, fields, photographs, aerial maps, North Pole, South Pole, Equator, direction, title, key features, identify, aerial photograph
