

THE CHOUGH

Date: Friday 24th February 2023

Dear Parents and Carers

I hope you've had a great week?!

On Monday, all teachers across the Trust of 16 schools came together to participate in training. I led a core session on Reading Fluency, this is a new project to us here at Treloweth but one that has already seen some incredible results. There were a variety of workshops and the feedback from teachers has been exceptionally positive. These top tips will be trialled in classrooms; 'better never stops!'

On Tuesday, KS2 children were visited by 'Rice and Peas' for an assembly. They spoke about diversity within a historical context and the events that led to the Windrush generation. The children's knowledge in Year 6 was incredible and the visitors were super impressed by the depth of their learning. They also sang songs about being part of one community. They talked about inspirational historical figures from the black community including Nelson Mandela and Mohammad Ali.

IMPORTANT DATES:

Last day of term - Friday 31st March
3.15pm finish.

Final week of clubs - week beginning 27th of March

World Book Day (Dress up day) - Friday 3rd March

St Piran's Day Parade - Saturday 4th March

THE CHOUGH

Now that we are heading towards spring, we are hopeful that the weather will improve so we can start using the school field during morning and lunchtime breaks again. We would like to invite your child to bring in a spare pair of old trainers that they can change into them for breaks. Please can spare footwear be brought in, in a named carrier bag- the field will be open from Monday!

As mentioned in my last message, we will be having a school lockdown practice in the coming weeks. In preparation for the practice, I will be holding assemblies for the children the week beginning 6th March.

Next week on Thursday 2nd March, we will be partially closing the school due to industrial strike action. The school will be remaining open for the following classes: 1M, 3H, 3N, 4R, 5D, 5S. All other classes will be closed. Hot school meals will be available as usual on this day.

Next Friday, we will be celebrating World Book Day. Please read on to see the poster for details. I am looking forward to all of the events that have been organised.

Thank you for your continued support and understanding.

With very best wishes,
Mrs May

PTA News

**Reminder: Bags to School
Collection Date: Wednesday 1st March**

The PTA are appealing for any donations of preloved clothing and /or bedding in bin liners. This is for our latest PTA fundraiser. Every kg counts - the heavier the bags the more money we raise ! The perfect excuse for a spring clean !

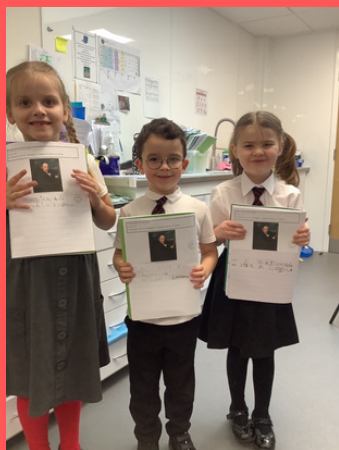

Rainbows and Sunbeams

Reception have been busy planting this week. They have learnt what a plant needs to grow and have enjoyed planting their very own sunflowers. Each child will be able to take this home over the coming weeks to continue nurturing and watching it grow. Good luck to all, we hope to have some wonderful flowers!

Year 1

In Year 1 we have had a wonderful time starting our new topic. We learnt and recalled facts about Richard Trevithick- a local hero!

Year 2

In Year 2, we've been adding two digit numbers together in Maths. We've been great at showing our working out!

Year 3

This week, in science, we have been learning about the conditions plants need to grow and be healthy. We are carrying out an experiment to test how light levels affect the health of a plant. Next week, we will evaluate the plants and write a conclusion about what we have discovered.

Year 4

In Year 4, we have begun our new Science topic looking at Sound. This week, we discussed how sounds are made and how they travel from an object, to our ears through vibrations.

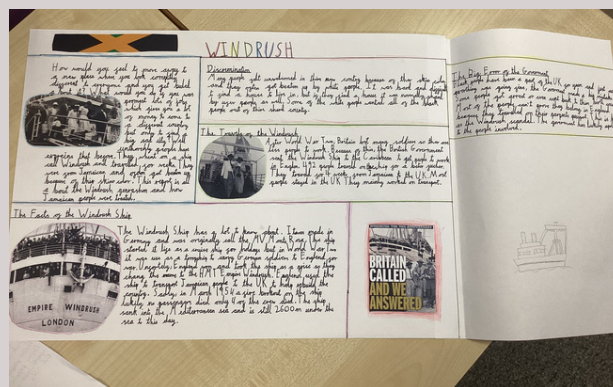

Year 5

Year 5 have been learning about how the climates on mountains are different. We researched data for the temperature, rainfall and wind speed at the top of world mountains, and compared that with where we live. We decided we'd definitely rather live in Cornwall than on the summit of Mt. Everest!

Year 6

This week, the year 6 children finished off publishing their brilliant non-chronological reports on Windrush. The unit of work was inspired by the book 'Windrush Child' by Benjamin Zephaniah which the children have absolutely loved. Their knowledge on the subject is astounding and they have really made their teachers proud. Amazing work Year 6!

TRELOWETH SCHOOL'S NEWSLETTER

CALLING ALL SURFERS IN YEARS 4, 5 AND 6.

Can you swim 25 metres? Have you always wanted to surf? Then this could be the club for you!

Previously we have facilitated a Surf Club through Global Boarder Surf School at Gwithian Beach in the Summer Term.

Treloweth have again been offered the opportunity to access this club again, but sadly we won't be able to use the minibus to provide transport. The club will be led by the team from Global Boarders, Treloweth staff will not be present.

Here is some information about the club itself:

What Will You Learn?

Aside from learning how to surf, or developing your surfing ability further, your child will learn several key skills associated with surfing, including lifeguarding, fitness, oceanography and environmental awareness. Learning and understanding these skills could save lives in the future! On the final session each student will be awarded a certificate celebrating their progress throughout the course.

Afternoon Structure

Students will be transported by parents / car share to Gwithian Beach for 3.45 - 4.00pm. Once at the beach, students will meet their coaches from Global Boarders and will be handed a winter wetsuit and surfboard, everyone then gets changed using our private changing facilities. (please bring your own full length wetsuit should you have one). A 1-½ hour lesson commences (depending on conditions and student fitness). Once finished everyone gets changed and will be ready for parent collection from Gwithian Beach (Sunset Surf Café) for 5.30pm.

What Will You Need?

Your child will need to bring swimwear, a towel/Robie, any medical support e.g. Asthma Pump / EpiPen and fluids. Should you have your own full-length wetsuit, we do advise you bring your own with you. Whilst we do carry some gloves and boots, we cannot always guarantee the right sizes and quantities, so it may be an idea to invest in these if you think your child will need them.

Price

The price is £15.00 per session. We are committed in recognising the current economic climate and our desire to work closely with the community, therefore are able to offer the surf club at 60% less our normal surf lesson prices. We do ask that 100% of the sessions be paid for in advance.

Sessions will begin on Tuesday 18th April and will be weekly, there is an option to sign up for half a term (6 weeks starting in April), or the full term (13 weeks from April to July).

If you would like further information, please feel free to contact me.

Best wishes

Mrs Stoddern
