Date: Friday 28th April 2023

Dear Parents and Carers,

We've had some great news for our children in Rainbows and Sunbeams this week, Mrs Ishmael has managed to get us 10 sets of free waterproofs and wellies from 'The Outdoor Guide Foundation'. This is great news and will allow children who love to be outside, the freedom to do so. Well done, Mrs Ishmael!

Also, this week our kitchen had a 'no notice' visit by the local authority to do a kitchen hygiene inspection and I'm delighted to report they came away with 5 stars! Well done to the Chartwells staff for their hard work and exemplary standards of hygiene.

On Monday Year 1 visited Paradise Park in Hayle to learn all about birds as part of their project on 'animals including humans'. During the day, they saw a number of birds from all around the world and few other animals that live at the park. The children were beautifully behaved and all had a fantastic time.

On Tuesday Year 3 went on their learning visit to the Eden Project in Wadebridge. They had a super time learning all about plants. If you have been, you will know that there is no better place to go to see rich and varied gardens of both tropical and Mediterranean plants. The children were brilliant! Next week, Year 5 are off to St Ives to surf, sculpt, story tell and saunter their way to Carbis bay on a 3 day, 2 night residential – we wish them a fabulous trip!

Polite reminder; we are closed on bank holiday Monday (1st May) and on Tuesday 2nd May, due to the NEU strike action, the following classes will be open: 1M, 1BR, 3N, 3H, 4R and 5S.

And finally, at the weekend Mrs Lawry completed the London marathon and raised over £2,000 for the Juvenile Diabetes Research Foundation charity – this was her first marathon and a really brilliant achievement; super well done to her for her terrific fund raising and running for such a long way! I also won my kayak race (no-where near as long as Mrs Lawry but I enjoyed the cake at the end! )

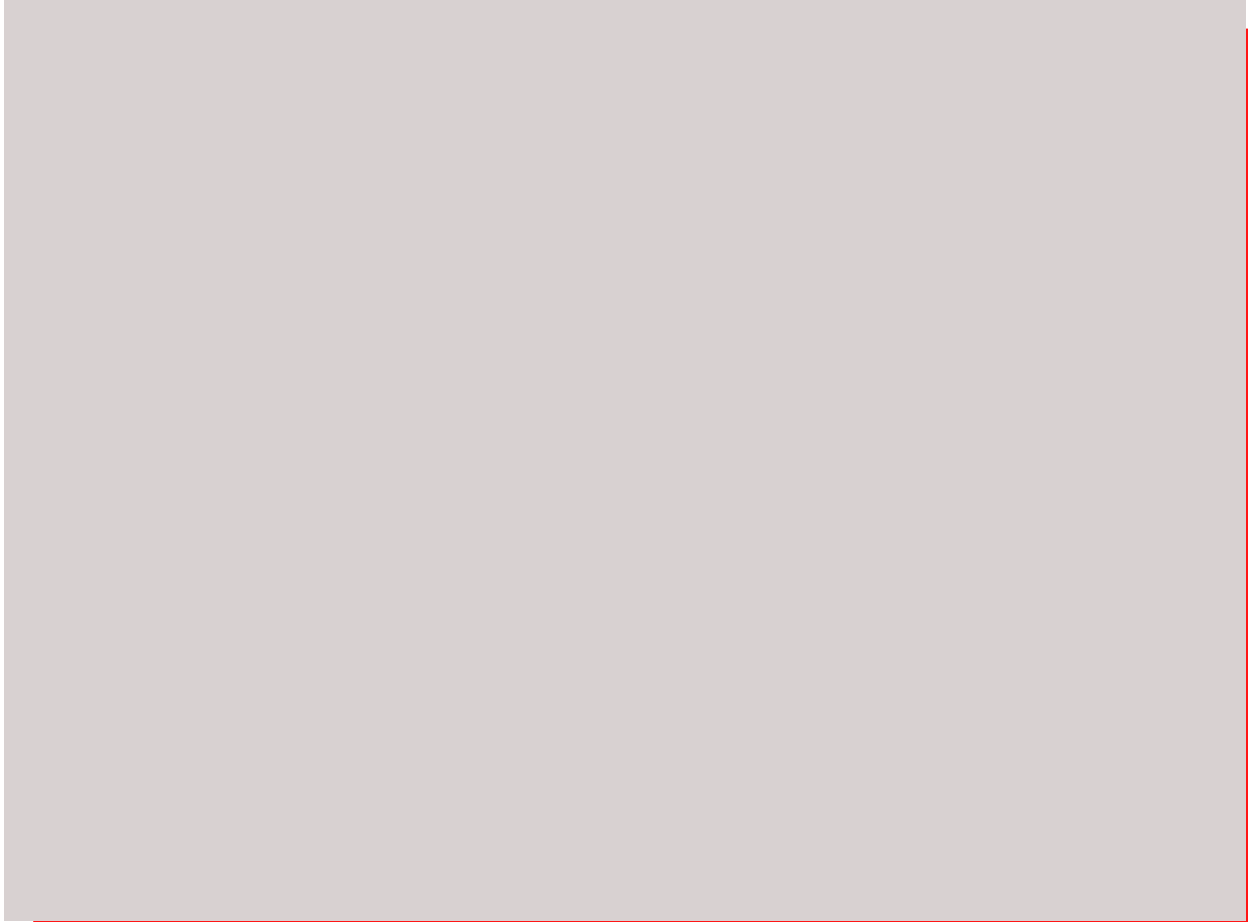

Have a lovely weekend.

Best wishes, Mrs May

## Year 1

Year 1 had an amazing trip to Paradise Park this week. We were very lucky to see lots of beautiful and wonderful animals including parrots, otters and even a bald eagle.

The children were wonderfully behaved and a credit to the school and their families.

## Year 2

In PSHE, Year 2 have been learning how to call 999 in a fire emergency and made a fire plan of their home.

## Year 3

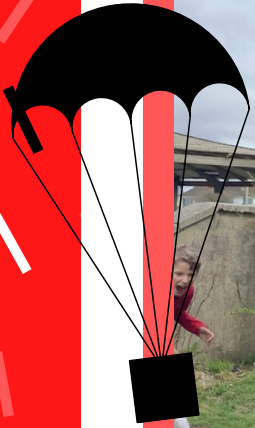

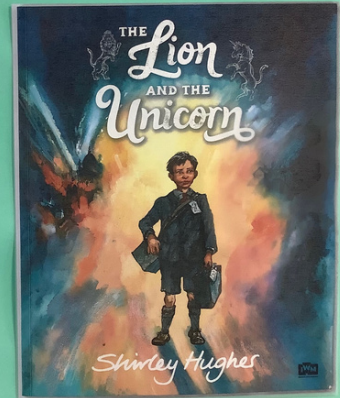

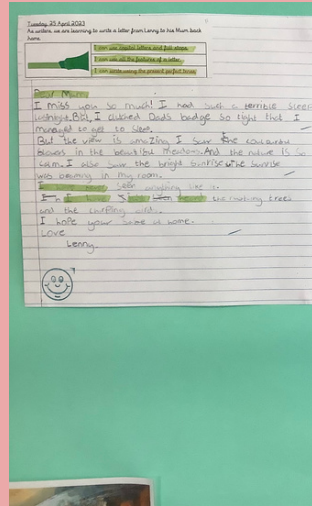

Year 3 had an awe-inspiring day at the Eden project this week! We learned about the importance of plants and how we wouldn't exist without them. We became Rainforest Rangers for the day and helped the Eden team find plants that could be used for food, shelter, water and medicine.

## Year 4

In Year 4, we have began reading our new English text 'The Lion and the Unicorn' and learning all about what life was like for Lenny as an evacuee during the war.

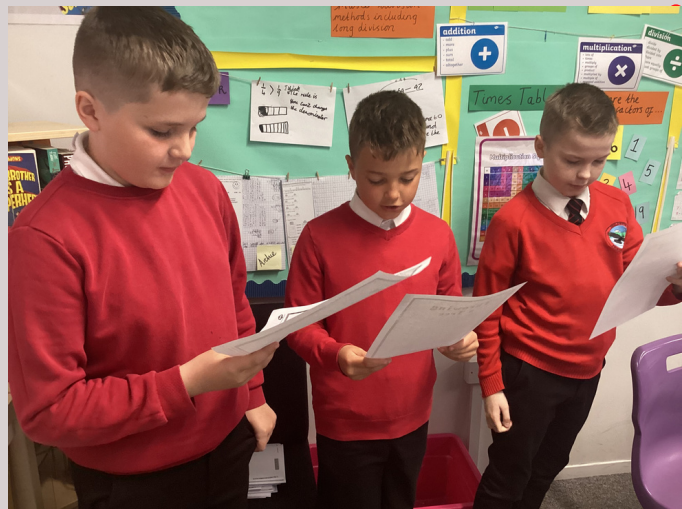

## Year 5

We've been very creative this week in year 5. The children made parachutes in science to investigate air resistance and gravity, and in art with have been creating binca stitch art using running stitches and cross stitch.

## Year 6

The children in Year 6 have been getting their teeth stuck into some poetry this week. We recapped on the features of a poem and then discussed some of the more challenging vocabulary. The children performed the poem using lots of expression in their voices. Lots more on poetry this week!
