

THE CHOUGH

Date: Friday 5th May 2023

Dear Parents and Carers

I hope that the Coronation bank holiday brings some half decent weather to relax and enjoy. In the lead up here in school, the children and staff have been busy making crowns and today, they paraded around the hall in their finery! It has been a fabulous sight. We have also given each child a sustainable wooden commemorative coin to mark the occasion and a little 'keep sake' to remind them of this special time in history.

Year 5 have been to St Ives for their residential visit. They had a brilliant time despite the mixed weather and have taken part in art workshops including soap sculpting(!), a Tate Museum visit, and exploring the local beach. They report to have had an amazing time and were all incredibly well behaved!

THE CHOUGH

Next week, Year 6 have four days of their primary school assessments taking place. The SATs consist of reading, spelling, punctuation and grammar, and mathematics. All children in Year 6 have been working incredibly hard and we are all immensely proud of their progress. We will try to make the experience as pleasant as possible; they are well prepared and deserve to do well. Every one of us wishes them all the very best! Brainy breakfast for Year 6 opens at 8am. We ask that both 6J and 6MS are in and registered by 8:15am so that we can have a relaxed start and a little warm up before each day begins.

Breakfast club will be open from 7:30am as usual please drop off at from the main entrance. Classrooms will open to all other children at this week at 8:30am to avoid as much disruption as possible.

I have been informed by the Local Authority that there is no crossing patrol on duty outside until 24/5/23. Please take care when driving or crossing the road.

We have also noticed a number of 'near misses' between cars along the school road and near the junction of Forth Scol. Please look twice and take extra care when pulling out.

Thank you to all of you that have navigated our new breakfast and after school booking system! Please note that this is all done through Parent Pay up to 48 hours in advance and can be booked and paid up to the end of the academic year if you choose to do so. A late booking will incur a £5 additional charge so please check with the office if you have any problems. On the very last day of term (Friday 21st July), there will be no after school club – the school will close to all children at 3:15pm.

Have a fun-filled and happy weekend.
Best wishes, Mrs May

Jack in Year 2 played in his first U7 rugby festival on Sunday for Redruth RFC in Falmouth. This is Jack with his certificate and medal. The team played amazing and ended up winning all of their games!

Well done Jack and Redruth RFC!

Year 1

Year 1 have been discussing what they wish to become in the future. They have all written about their dream jobs.

Year 2

Year 2 have been learning about plants and germination. We've created an experiment to find out what a seed needs to grow.

Year 3

We have been loving maths in year 3 over the past couple of weeks. We have been learning how to subtract using the column method. We used the dienes to help us understand exchanging. Playing the exchange game really helped too!

Year 4

????

Year 5

????

Year 6

Year 6 have been working extremely hard to prepare for their SATs. Some of the children prepared a cheer routine to help memorise the key vocabulary in the SPaG paper, and performed it to the rest of the class. Keep up the fantastic work Year 6- it will pay off next week!
