

THE CHOUGH

Date: Friday 9th June 2023

Dear Parents and Carers

We have had a lovely week here in school. The weather has been superb and the children have been a real pleasure all week.

We were visited on Wednesday by fellow Headteachers who were here to observe lessons, talk to children and look at books as well as talk to subject leaders and check our systems and processes. The day went very well; the children were delightful, engaged in their learning and totally focussed. The visitors were so impressed with teaching that they will be sending their staff to come and watch!

THE CHOUGH

Next week, Year 1 begin their phonics screening assessment and Year 4 their multiplication check. We wish them all the best! They are well practised and shouldn't know any difference between the official assessment and the regular checks that we've been doing. Year 6 have been writing their 'socks off' for the last few weeks in the final effort for the end of year teacher assessment. The Year 6 play script has arrived and there is much excitement about the story and the character parts (and that's just the staff!).

Our annual Murdoch Day parade through the streets of Redruth is on Saturday 17th June. The Year 4 team are busy preparing their fabulous artwork of 'Innovation and Creativity'. We are looking forward to a high turn-out from Year 4 to join their teachers along the way! Year 5 will be dancing along with the procession to the traditional tune in their super smart uniform. Please give a cheer and wave if you go to watch and support them!

Please remember to label clothing; we have had a huge amount of lost property recently which has not been claimed. And finally, please make sure your child comes to school with a sunhat, suncream and water bottle.

Have a brilliant weekend.

Best wishes, Mrs May

THE CHOUGH

This week we have been using our PSHE sessions in school to do our PANTS and Bubbles to Protect sessions. We do these every year as a whole school. You can find the information about the PANTS sessions on the NSPCC website.

[pants-parents-guide-online.pdf \(nspcc.org.uk\)](https://www.nspcc.org.uk/pants-parents-guide-online.pdf)

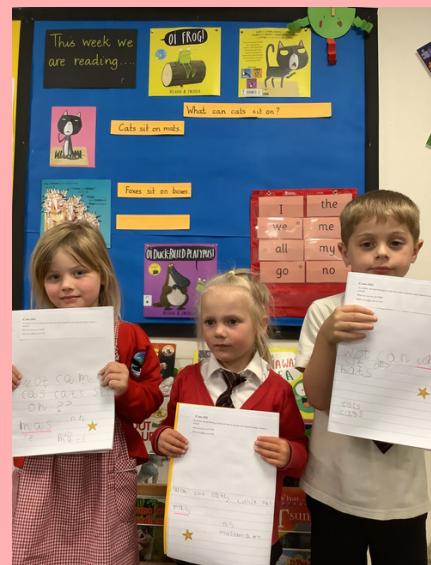

All of the children have learned the Pantosaurus song, watched the videos and read the book. The older children have learned the meaning of 'consent'.

The Bubbles to Protect Work is further learning to protect children from sexual abuse. They have been taught about their space bubble and safety bubbles.

Rainbows and Sunbeams

This week in Reception we have enjoyed reading Oi Frog! by Kes Gray and Jim Field. We are very proud of our writing linked to the story. We have been working on remembering finger spaces in our sentences.

Year 1

In Year 1 this week, we have been learning how to use Beebots. The children have been programming the Beebots to follow a set of instructions.

Year 2

Year 2 have been learning about materials and their properties in Science. We made a tally chart of all the materials we found in our classroom and then used our newly learnt scientific vocabulary to describe the materials.

Year 3

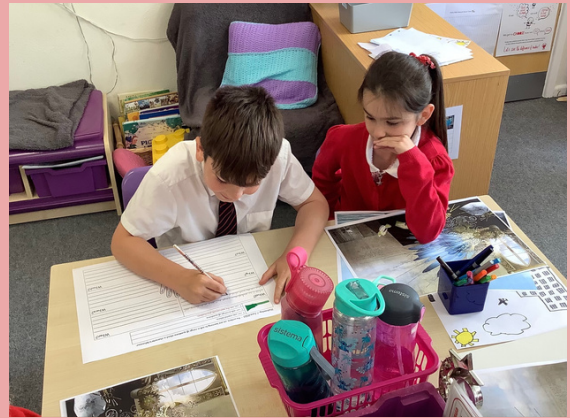

Year 3 have been making the most of the wonderful weather this week! We especially enjoyed our P.E session on the field with Mr. Shaughnessy. We have been making excellent progress with our dynamic ball skills and partner work!

Year 4

In Year 4, the children have worked with their partners to discuss, predict and ask a range of questions based on our new writing text 'FARThER'.

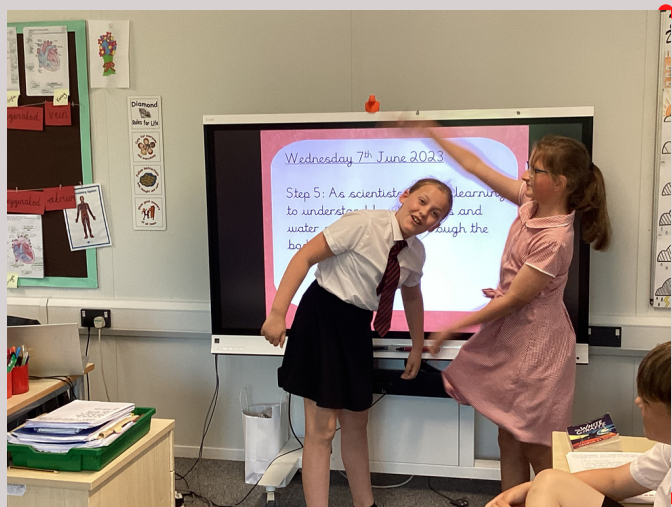

Year 5

Year 5 have taken inspiration from the book 'Curiosity' in writing this week. They have thought about the features of the Mars rover and how it's features have enabled it to explore the surface of Mars.

Year 6

Year 6 had a lot of fun learning about nutrients and how they are transported around the body, yesterday. The children learnt about the journey of a nutrient from the mouth all the way to absorption into the bloodstream. As the concept is quite abstract, the children did some drama to understand the process better and the results were great!

TRELOWETH SCHOOL'S NEWSLETTER

Request for time off/holiday

All applications should be made in writing to the Head of School at least 20 school days prior to the requested leave date. Where the decision is made not to authorise leave in term time, school will inform parent/carers in writing.

Please do not book a holiday before being given permission for absence from the school. A general guide for parents is leave for any holiday, activity or event that could be arranged during the annual 13 week holiday time would not be authorised. On any occasion that school refuses a request for leave in term time, should a parent/carer proceed with the leave it will be recorded as code (G) (family holiday not agreed or in excess of agreement), on school's register. Where a leave of absence has been unauthorised, penalty notices will be considered in line with Cornwall Council's Code of Conduct for issuing Penalty Notices in respect of unauthorised absence or children present in a public place whilst excluded from school. Crofty Trust will ensure that a minimum of one other headteacher considers the exceptional circumstance before any decision is made to unauthorise a leave of absence request where the issue of a Penalty Notice is required.

Failure to notify and/or request leave of absence in term time, providing at least 5 days notice may result in all absence being recorded as (O) (unauthorised absence not covered by any other description). If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £60 if paid within 21 days or £120 if paid after this but within 28 days. Failure to pay the Penalty Notice may result in legal action.

Absence not authorised by the school may result in a prosecution in the Magistrates' Court under Section 444(1) or Section 444(1A) of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Cornwall Council may also apply for the costs incurred in taking the matter to Court.
