

# THE CHOUGH

Date: Friday 29th September 2023

Well, Storm Agnes has blown through and the children at Treloweth were unfazed by the very blustery conditions.

We had a visit from headteachers from two local schools this week and they left very impressed by the focus and hard work shown by pupils throughout the school - the children really do make us proud with their positive attitudes and good manners.

## IMPORTANT DATES:

5.10.2023 - PTA AGM at 3.20pm.

6.10.2023 - Staff INSET day (No children in school).

Week beginning 20th November - Parental Consultations.

7.12.2023 - EYFS Christmas performance.

8.12.2023 - Christmas Jumper Day.

11.12.2023 - Y1, Y2, Y3 Christmas performances.

12.12.2023 - Y4, Y5, Y6 Christmas performances.

14.12.2023 - EYFS & KS1 Christmas lunch.

15.12.2023 - KS2 Christmas lunch.

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

# THE CHOUGH

We are constantly reflecting on how we can improve provision and facilities at Treloweth and as such there will be a few changes to After School Club starting after half term. After School Club (Chough Club) will now be held in dedicated rooms at the front of the school building; the team are busy preparing the space. From half term, if parents collecting from Chough Club can ring the doorbell in the entrance corridor and then stand by the window looking over the Chough Club room then the staff will bring your child to you through the front door. This means that from 3:25pm each day all gates will be locked.

Next week is a shorter week for the children as we are closed for staff training on Friday. We also have the PTA AGM next Thursday afternoon at 3:20pm so hopefully I will get to meet some of you then.

As ever, if you have any questions or concerns please do come and speak to me or one of the team.

Best wishes

Mrs French

## SCHOOL UNIFORM

Most of the children are looking really smart, so thank you for this. There does seem to be a little confusion around some elements of the uniform so I thought it would be useful to share what is outlined in our prospectus- which has been in place for many years.

The school colours are red, black and white and the required dress is as follows:

- Trousers, shorts or skirts – black school uniform style only. School uniform style pinafore dresses are also acceptable. (If your child is currently wearing grey, we ask that when you replace items that they are replaced with black).
  - Shirt (long or short sleeve) – white only.
  - Tie.
- Pullover or cardigan – plain red or with school logo only.
  - Summer dress – red check.
- Black shoes. (Please ensure that your child can fasten their shoes. Infants may prefer Velcro fastenings).
  - Black socks.

Please note: trainers, skate shoes, Crocs or similar are not to be worn but on PE days children can wear black trainers.

- Jewellery (with the exception of a watch or one pair of small stud earrings). Nail varnish is not to be worn.

# THE CHOUGH

## SCHOOL UNIFORM

### Hair-

Shoulder length hair should be tied back with red/black hair accessories only.

Hair should not be dyed, coloured, gelled, less than a grade 3 cut, patterned or an extreme fashion statement.

### PE Kit

- Black shorts.
- Plain white T-shirt.
- Trainers/ plimsolls.
- White/black socks.
- Black tracksuit bottom for outdoor games.

Please ensure that all items of clothing are clearly marked with your child's name. This makes returning items easy.

On PE days the children are still expected to wear school jumpers.

We do not expect anyone to go out and buy replacements at this point in the term, but we do ask that when items need to be purchased that they follow the school uniform list. Thank you in advance of your support in this matter but if you have any questions then please do speak to a member of staff.

## PARENT CONSULTATION DATES

20.11.2023 - 4R/5N/2S/3H

21.11.2023 - 2R/3N/5J/6RS/Rainbows/1M

22.11.2023 - 4F/6WW/6S/Sunbeams/1BM

## JEANS FOR GENES

THANK YOU!! Together we raised an impressive **£168.00**.  
Where the money goes:

- Small, community groups across the UK who don't tend to get access to traditional funding channels
- Specialised equipment, nursing services, respite for carers, counselling sessions, conferences, helplines, sibling assistance - whatever is needed!
- £3 could provide arts and crafts equipment, £30 could help fund a helpline for an hour or £300 could fund a specialised nurse for a day.

## TALKING ASSEMBLIES QUESTION:

Which is heavier, a deflated  
or inflated balloon?

# THE CHOUGH

## ATTENDANCE

Here is this week's attendance:

Diamond Attendance		
1 <sup>st</sup> Place	1M	100%
2 <sup>nd</sup> Place	3H	99.3
3 <sup>rd</sup> Place	2R, 6S	98.9

Rainbows	97.2
Sunbeams	92.3
1M	100
1BM	97.3
2R	98.9
2S	94.3
3H	99.3
3N	95.1
4F	90.3
4R	86.5
5N	97.3
5J	92.9
6WW	95.1
6RS	95.5
6S	98.9

## MATHS WHIZZ CHAMPIONS OF THE WEEK!

WELL DONE 4R!

### Rainbows and Sunbeams

Reception are beginning their reading and writing journey here at Treloweth, with learning to read and write their letter sounds. They have made a super start - Well done Rainbows and Sunbeams!

## Year 1

Year 1 have really enjoyed their computing learning this week. We have discussed the importance of not sharing personal information and who to be friends with online. We then used this knowledge to help Taff with a range of questions. It was great fun.

## Year 2

The children in year 2 enjoyed acting out a story from the Bible; 'Matthew, the tax collector'. First they listened to the story. Then they had the opportunity to dress up and take part in the role play. The children were amazing and could answer questions about the story confidently.

## Year 3

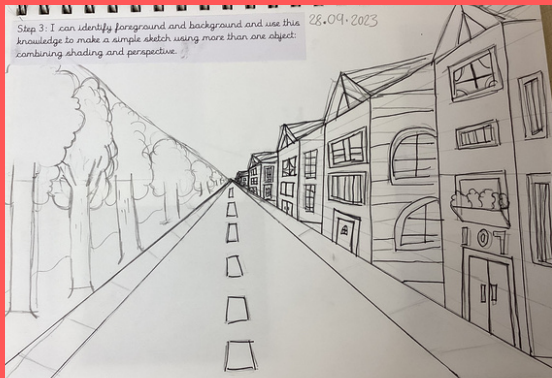

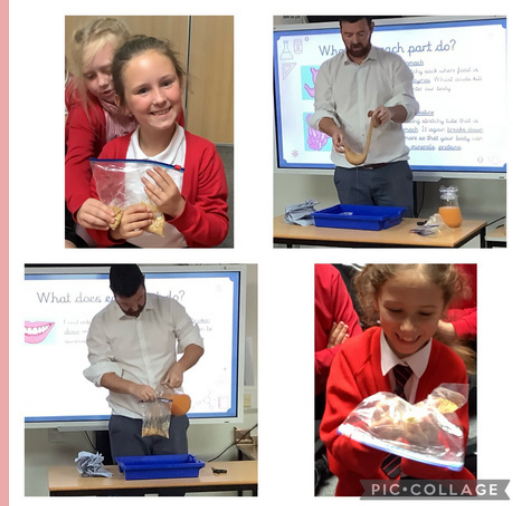

We have been enjoying some drama this week in our writing lessons! We acted out a scene from our book to help us generate some question and statement sentences. Our freeze frame pictures helped us to learn how to write and punctuate dialogue.

## Year 4

In Year 4, we have been learning all about the digestive system in science. After discussing the individual parts which make up our digestive system, we recreated it to see how it all works.

## Year 5

Year 5 have been learning all about perspective in their art lessons. They have been learning how to identify vanishing points, lines of perspective and the horizon line. The children put all this knowledge together to create a perspective piece. They had a lot of fun and learnt a lot!

## Year 6

In science this week, Year 6 have been learning about microorganisms and have planned and initiated an experiment around this. We will be monitoring and analysing our experiment over the coming weeks to see which variables create the most ideal environment for growth of mould! Yum!
