Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

THE CHOUGH

This week, our second Year 4 class began their swimming sessions and showed fantastic attitudes both in and out of the pool. Well done to all! Rainbows and Sunbeams were thrilled to share some of their recent learning with parents this week, and we're excited to announce that invitations for other classes will be sent out soon so families can join in celebrating their children's progress.

Looking ahead, we're also eagerly preparing to welcome parents and carers to our upcoming parents' evenings. As always, if you have any questions or concerns, please feel free to reach out to any member of the team. Just a quick reminder—while I am not regularly checking Dojo, you can always contact the school office to arrange a meeting with me.

Have a fantastic weekend, and we look forward to another positive week ahead!

Best wishes
Mrs French

HEAD BUMP INFORMATION

Here at Treloweth, we have designated, trained and prepared first aiders who administer medical care to our pupils. If a serious head injury occurs, parents will be contacted immediately and asked to come to the school to assess whether the child needs to go home or receive further treatment. In severe cases, emergency services will be contacted if, after assessment, immediate medical attention is deemed necessary.

All incidents are recorded in our first aid book and our qualified first aider will judge the severity of the injury and determine the best way forward, meeting the needs of every individual.

CHANGE OF LOCATION: THE YEAR 2 TOY SALE WILL NOW BE IN THE YEAR 2 AREA AND CLASSROOMS.

WELL DONE TO KERTHELYK AND HIS FAMILY, WHO WENT ON A LITTER PICK AROUND OUR SCHOOL IN THE HALF TERM. THEY COLLECTED A FULL BAG OF LITTER! THANK YOU FOR KEEPING OUR COMMUNITY CLEAN.

THIS WEEK'S WINNING TEAM: POLDICE

Rainbows and Sunbeams

Great fun in EYFS creating firework pictures this week. We used chalks, sequins and glitter.

Year 1

In geography this week, we have been learning about human and physical features. The children enjoyed walking around the local area spotting human and physical features.

Year 2

This week in Year 2 we have been learning about the differences between fiction and non fiction books. Our new focus book in Writing is called 'A book about bears'. We researched facts about bears using different resources: books, leaflets and the internet.

Year 3

Year 3 have been bringing our new story to life this week. They acted out a scene from the Pied Piper of Hamelin by Michael Morpurgo. They used their inference skills and descriptions from the text to help them portray the characters accurately.

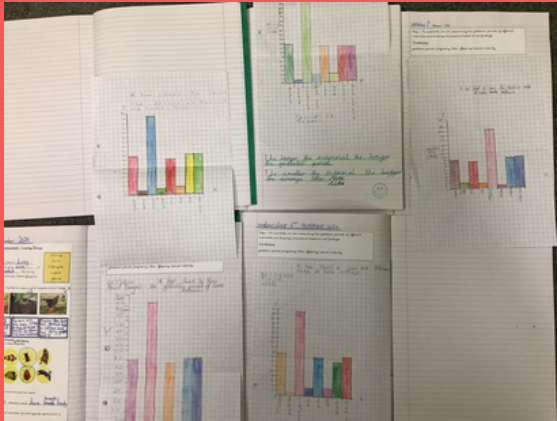

Year 4

This week, Year 4 came together to explore different time signatures in music, focusing on 4/4 and 3/4 rhythms. We listened to Hey Jude by The Beatles to feel the steady 4/4 beat and compared it to a waltz in 3/4 time, which has a swaying rhythm. The students practiced clapping and counting to each time signature and discussed how the different beats change the feel of the music. It was a fun and engaging way to learn about rhythm and timing!

Year 5

This week, Year 5 have been learning about gestation periods in mammals. We've researched the average gestation period in a variety of mammals, spotting patterns as we did, and produced these amazing bar charts to show our results!

Year 6

Year 6 have started their electricity unit by making circuits and investigating what happens when more and more components are added.

WORD MILLIONAIRE!

A huge congratulations to Scott Orme in 5N for becoming Treloweth School's first word millionaire! Scott absolutely loves reading and has been enjoying reading a range of books at home. His passion for reading shines through in the classroom and the impact of this can be seen in all of his learning. He has already read over a million words since the start of September which is a brilliant accomplishment! Well done Scott!
