

THE CHOUGH

Date: Friday 22nd November 2024

Dear Parents and Carers,

We began the week with a fantastic assembly from our "Globe Trotters," who shared fascinating stories and insights about their cultures and countries of heritage. It was a heartwarming reminder of our focus word, "connected," as we celebrated the diversity that binds our school community.

IMPORTANT DATES:

Parents evenings- 25th/
26th November:
25th- Sunbeams/
1N/1BM/2F/3H/4K/6WW
26th - Rainbows/ 2S/ 3R/
4R/5O/5N/6S

9.30am/2pm and 5.30pm

Friday 20th December-
Christmas Lunch

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

THE CHOUGH

This morning, our Year 3s enjoyed a hands-on DT session making sandwiches, followed by an adventurous afternoon exploring Tehidy Woods as part of their geography studies. Their curiosity and enthusiasm were infectious!

Yesterday's flurries of snow brought excitement across the school, with delighted faces pressed against windows. While the snow didn't settle, I've posted important information about our adverse weather procedures on Dojo for your reference.

Finally, we're looking forward to seeing you at next week's parent meetings. As always, please don't hesitate to reach out to one of the team if you have any questions or concerns.

Warm regards,
Mrs French

THE CHOUGH

TALKING ASSEMBLY QUESTION:

Should pineapple be allowed on pizza?

MATHS WHIZZ CHAMPIONS OF THE WEEK

WELL DONE 2F!

HOUSE POINT RESULTS

Botallack	255	382	240			
Geevor	223	258	190			
Poldice	305	271	242			

THIS WEEK'S WINNING TEAM: POLDICE

Rainbows and Sunbeams

The year 5 children have been working really hard this week on their news reports but we couldn't let an opportunity pass to play in the snow shower. We were proud at how the children settled back to their learning afterwards.

Year 1

In English this week year 1 have been working really hard to create wonderful Space booklets. The booklets include a contents page, 3 information pages and a glossary. The children were amazing at remembering their capital letters, finger spaces and full stops, as well as adding question marks when needed.

Year 2

We have had an exciting time in Year 2 this week. In English we went on a dragon hunt. We looked high and low. Inside and outside. Below and in between. This helped us to understand prepositions and the job they do in a sentence. In history we made fire sticks and acted the story. This helped us to remember the important facts about the Great Fire of London.

Year 3

Year 3 completed some Geography fieldwork on Carn Brea this week. They used their compass and map skills to locate features on a map. We also learned about the Stone and Iron Age settlements on the hill to link with our History learning.

Year 4

This week, Year 4 has been exploring the fascinating world of electrical circuits! The children have been learning how to create circuits using batteries, wires, and bulbs.

They investigated how to connect the components to make the bulb light up. It's been an exciting hands-on experience that has sparked curiosity and encouraged problem-solving skills.

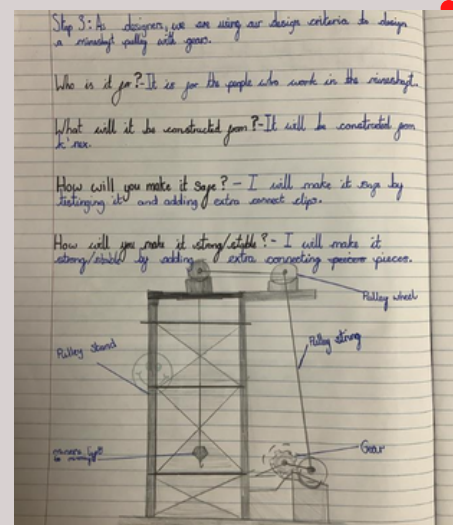

Year 5

The year 5 children have been working really hard this week on their news reports but we couldn't let an opportunity pass to play in the snow shower. We were proud at how the children settled back to their learning afterwards.

Year 6

This week year 6 created their final design for a mineshaft pulley system applying their knowledge of pulleys and gears.

Festive BINGO

EYFS & KS1 – MONDAY 9TH DECEMBER
KS2 – THURSDAY 12TH DECEMBER
IN THE HALL – STRAIGHT AFTER SCHOOL

Please make donations of prizes to your class teacher such as chocolate, sweets, advent calendars, wrapping paper, gift ribbon, christmas cards, decorations or crackers.
