

# THE CHOUGH

Date: Friday 29th November 2024

Dear Parents and Carers,

It was absolutely lovely to meet so many of you at this week's parents' meetings! We're so grateful for your engagement and the thoughtful feedback shared via our suggestion box. One topic that came up was this year's Christmas performances, and we're thrilled to share the details! Our Year 1, 2, and 3 students will be showcasing "Christmas Top of the Pops", while Years 4, 5, and 6 will bring the festive cheer with "Treloweth's Christmas Eurovision". Tickets should already be with you—please get in touch if you've not received them yet.

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

# THE CHOUGH

A special congratulations to our netball team, who represented Treloweth brilliantly yesterday. They were superb ambassadors for our school, truly embodying our values of being curious, kind, and connected. Well done, team—we are so proud of you!

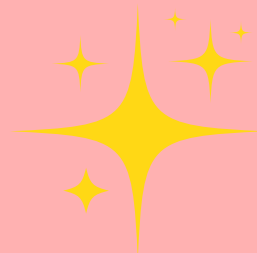

Class 2S also had a wonderful afternoon today making Christingles with members of Trevenson Church. The children loved learning about the meaning of the Christingle and enjoyed getting hands-on to create their own. Thank you to the church members who helped make it such a memorable experience!

As always, if you have any questions or concerns, please contact one of the team. A quick reminder that Class Dojo is checked by staff on average once a week, so urgent messages should go through the office to ensure a prompt response.

Thank you for your continued support!

Best wishes  
Mrs French

THIS WEEK'S WINNING TEAM: BOTALLACK

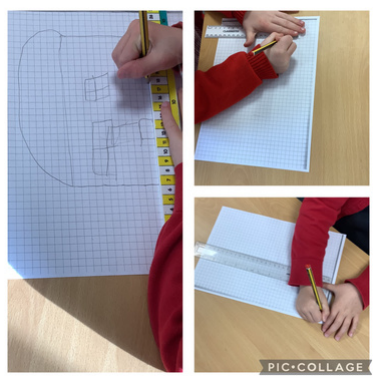

### Rainbows and Sunbeams

We have learnt a song about doubling and can now double numbers 1-5! We know to double a number you add the same amount again.

### Year 1

In Year 1, we have started a new writing unit based on the book 'Iggy Peck Architect'. The children enjoyed having a go at being architects. Great work, Year 1!

### Year 2

In Year 2, we have loved learning to take photographs in our Computing lessons. We first considered how to take a good photograph on an iPad before trying it out and taking close ups, action shots and selfies.

### Year 3

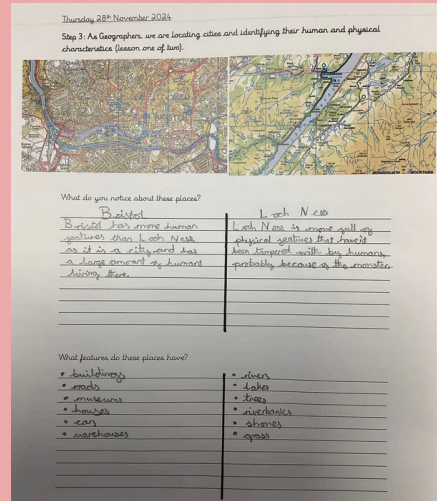

In D&T, we have been designing and making healthy sandwiches. We learned the difference between reared, grown, caught and processed food. We also learned the skills needed to make our sandwich including spreading, peeling, grating and the bridge and claw cutting technique. We enjoyed our delicious healthy sandwiches on our walk around Tehidy woods.

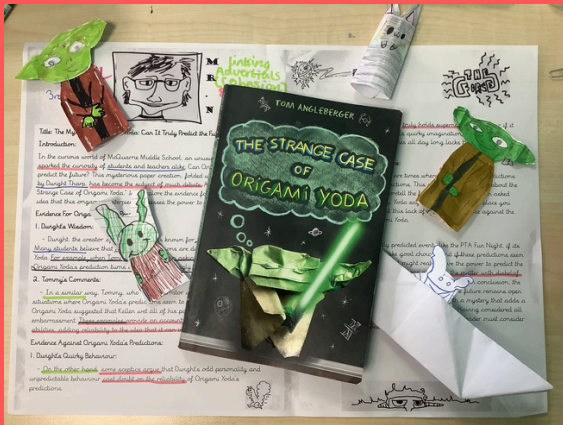

## Year 4

This week in Geography, we have been exploring the difference between physical and human geography by comparing Bristol and Loch Ness.

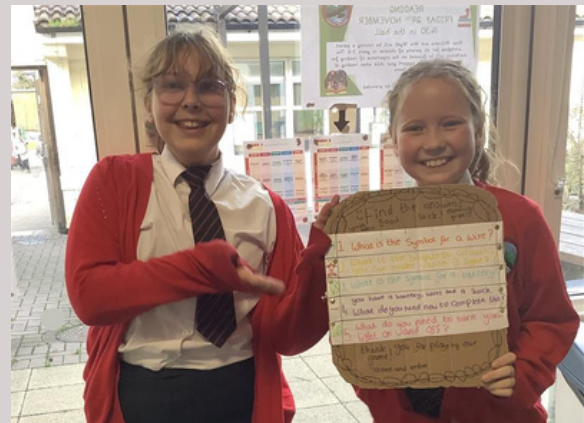

## Year 5

In Year 5, we have been preparing for our discussion writing by finding out if Origami Yoda really can predict the future? The children are enjoying the story and are having fun debating the credibility of Origami Yoda's predictions. Some children have even made their own Yoda finger puppets.

## Year 6

To end our electricity unit, year 6 have made circuit games which quizzes children on their knowledge electrical symbols. If you get the answer correct, the circuit is complete and the buzzer goes off!

# Casey Goes Christmas Crackers

Throughout December Casey Carrot is going to be causing chaos in the school kitchen.

Dine with us daily from December 2nd to see if she has been naughty or nice.

Will you get an additional treat with your lunch? Look for the lucky sticker under your plate.
