

# THE CHOUGH

Date: Friday 6th December 2024

Dear Parents and Carers,  
It's been a lively and enriching week at school!

Class 3H had a fantastic time on their residential trip to St Ives. Highlights included exploring the Barbara Hepworth Gallery, soaking up the art at the Tate, and of course, the excitement of a sleepover with friends! Next week, it will be 3R's turn to enjoy this adventure—we can't wait to hear about their experiences.

Our Year 6 students stepped back in time during their visit to Kressen Kernow. They delved into the fascinating history of mining, examining artefacts that brought the past to life. A wonderful opportunity to connect with our local heritage!

# THE CHOUGH

Two incredible performances from our singing clubs brought a musical close to this term's club activities. It was a joy to see so many parents enjoying these moments. A big thank you to the dedicated staff who make these experiences possible for the children.

Thank you to the parents who attended last Friday's Reading Information Session. The English team worked hard to create a helpful and informative session, and we hope you found it valuable.

On Thursday, we were delighted to host the leadership team from Parc Eglos School. They were thoroughly impressed by our learning environment, the children's positive attitudes, and how well they embodied our school values of being curious, kind, and connected. Well done to all!

Thank you for your continued support, and we look forward to another wonderful week ahead.

Warm regards,

Mrs French

## Rainbows and Sunbeams

Reception have been enjoying the opportunity to be artists using a range of different materials to create space inspired creations. We demonstrated our understanding of new vocabulary such as meteor shower, introduced in our class story 'Look Up!'

## Year 1

This week, in DT, the children have enjoyed designing and making moveable Christmas cards.

## Year 2

This week in year 2, we were extremely lucky to have some special visitors from Trevenson church to help us learn about the Christingle. This was part of our RE curriculum. We talked about the different parts and what they mean to Christians.

## Year 3

In Year 3, we finished our class book The BFG. We loved learning about the Big Friendly Giant!

## Year 4

This week in Year 4, we finished our research on human and physical geography by using Digimaps to compare Liverpool with the Brecon Beacons. By the end of the lesson, we were able to make comparisons and support our reasoning with evidence.

## Year 5

The year 5s have worked really hard this week on their end of term assessments. As a reward, they have gotten into the Christmas spirit and made stunning paper snowflakes from our scrap paper pile.

## Year 6

This week, Y6 visited Kresen Kernow to learn more about mining history. They really enjoyed looking at the various artefacts to investigate the sad events surrounding the Levant mining disaster.

## **SCHOOL COUNCIL UPDATE**

We are delighted to share the outcome of a recent meeting held by our school council. After thoughtful discussion, the members of the council have voted to support a very worthy cause this festive season. Any donations received during the collections at our Christmas performances will be contributed to The Air Ambulance Charity.

This incredible organization provides life-saving services and support to those in critical need, making a profound difference in our community and beyond. We are proud to join in their mission and encourage our students to engage with the spirit of giving during this special time of year.

Thank you for your continued generosity and support. Together, we can make a meaningful impact.
