

THE CHOUGH

Date: Friday 24th January 2025

CURIOS

KIND

CONNECTED

Dear Parents and Carers,

Exciting Learning and Kindness in Action!

This Thursday, we were fortunate to welcome a visitor from the Salvation Army who shared with our Key Stage 2 the amazing work they do. Their visit truly embodied our values of kindness and connection, leaving everyone inspired by the impact of helping others.

IMPORTANT DATES:

Half term week:
Monday 17th
February- Friday
21st February.

INSET day (no
children in
school): Monday
24th February.

Last day of
Spring term:
Friday 4th April.

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

THE CHOUGH

Year 3 had an exciting trip to Kressen Kernow this week, where they delved into the history of Iron Age and Stone Age Cornwall. Their curiosity about how life has changed over time was evident, and they asked fantastic questions throughout the visit!

After-school clubs kicked off this week, and it's been wonderful to see the children so excited and engaged. From art to sports, there's been something for everyone, and the joy in their faces says it all.

Looking ahead, our Year 1s are gearing up for a beach trip next week, and we couldn't be more excited to see their enthusiasm for hands-on learning outside the classroom.

As always, if you have any questions or concerns, please reach out to one of the team. Just a quick reminder that Dojo messages aren't checked frequently, so email or phone is the best way to get in touch.

Wishing you all a great week ahead!

Best wishes
Mrs French

THE CHOUGH

DIAMONDS OF THE WEEK

WELL DONE TO OUR DIAMONDS OF THE WEEK!

THE CHOUGH

TALKING ASSEMBLY QUESTION:

If you could have a superhero name, what would it be?

MATHS WHIZZ CHAMPIONS OF THE WEEK

WELL DONE 2F!

HOUSE POINT RESULTS

	10/1	17/1	24/1	31/1	7/2	14/2
Poldark	246	305	257			
Botallack	222	206	267			
Geevor	228	261	263			
Poldice	220	260	336			

THIS WEEK'S WINNING TEAM:  POLDICE!

Rainbows and Sunbeams

This week in EYFS, we have been comparing groups of objects using the vocabulary 'more than' and 'fewer than'.

Year 1

In English, the children have been learning how to write compound sentences to create opposites. First, the children suggested adjectives to describe how two of the characters from the story 'Lost and Found' were feeling. The children collected these adjectives on their whiteboards to support them with their independent writing.

Year 2

In Year 2, we have been learning about the difference between equal and unequal groups. We used cubes to explore whether or not certain numbers could be broken down into equal groups or not.

Year 3

We had the best time at Kresen Kernow looking through the archives and exploring the library. We learned lots about the prehistory of Cornwall.

Year 4

This week, Year 4 had a fantastic time designing and making their own torches as part of their DT project. The children loved using recycled materials and were proud of their creative and functional designs!

Year 5

We've been learning about properties of materials in science in year 5 this term. In this week's lesson, we tested materials to determine their properties and then classified them using Carrol diagrams.

Year 6

In geography lessons this week, year 6 have been learning about the difference between hamlets, villages, towns and cities.
