

THE CHOUGH

Date: Friday 14th March 2025

CURIOUS

KIND

CONNECTED

Dear Parents and Carers,

Science Week Sparks Curiosity and Connection!

This week has been a truly inspiring celebration of science, creativity, and collaboration at our school!

We were thrilled to welcome a special visitor from Space Cornwall, who worked with classes across the school, sparking curiosity and deepening children's understanding of space and technology. The Science Fairs have been a huge success, and it has been wonderful to see the incredible learning that children have brought in from home. Their maturity and confidence when explaining their experiments and exhibits were phenomenal – a true reflection of our value of being curious learners.

IMPORTANT DATES:

Last day of Spring term:
Friday 4th April.
(No Chough Club after school on this day)

Bank holiday -
Monday 21st April.

Back to school -
Tuesday 22nd April.

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

THE CHOUGH

A group of KS2 children represented our school with pride at the Lego League at Culdrose. They demonstrated excellent teamwork and creativity while developing their own project and learning from other schools. They were superb ambassadors for our school, showing kindness and respect throughout the event.

Today, we welcomed members from Crofty MAT and the GLA Trust from Gloucester, who observed maths lessons across the school. They were hugely impressed by the children's knowledge, skills, behaviour for learning, and their exceptional oracy skills. This was a fantastic opportunity to showcase how our children are not only curious and eager to learn but also kind and connected in the way they support each other and share their ideas.

Well done to all of our wonderful children - you continue to make us proud!

Please do reach out to one of the team if you have any questions or concerns.

Mrs French

THE CHOUGH

TALKING ASSEMBLY QUESTION:

What is one activity that you could do for the whole day and not get bored?

MATHS WHIZZ CHAMPIONS OF THE WEEK

WELL DONE 3H!

HOUSE POINT RESULTS

	28/2	7/3	14/3	21/3	28/3	4/4
Poldark	189	302	352			
Botallack	199	216	463			
Geevor	208	362	296			
Poldice	192	318	370			

THIS WEEK'S WINNING TEAM: **BOTALLACK!**

Rainbows and Sunbeams

EYFS started Science Week by learning all about farm animals. We were treated to a visit from Bernard and Carol, farmers here in Cornwall, who brought in a calf, lamb and two kittens. Thank you so much for giving up your time to come and visit us and bring our learning to life!

Year 1

The children in year 1 really enjoyed celebrating World Book Day. Highlights included 'guess the reader', having a police officer reading a story and buddy reading with children from year 5.

Year 2

We were excited to have a visit from Daya to teach us about Islam. We loved our visit and learned lots from the session!

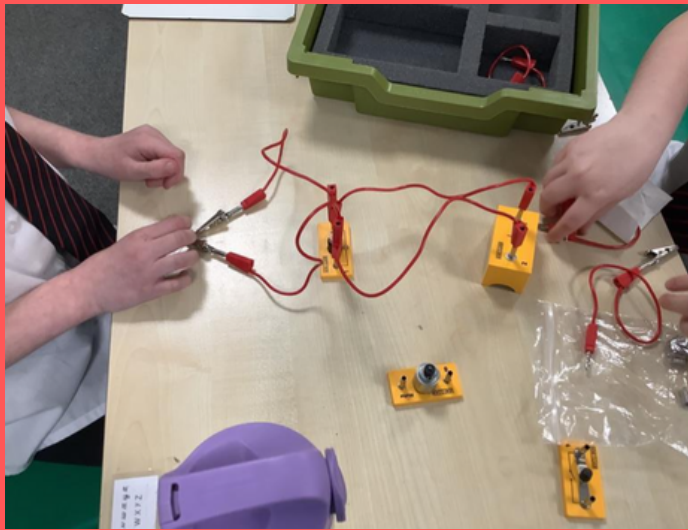

Year 3

One of the many highlights for year 3 this week was our afternoon with Fritha from Spaceport Cornwall. We learned about space science and made our own paper rockers. The best part was launching them in the playground!

Year 4

This week, Year 4 had a fantastic time presenting their science projects and exploring the amazing work from other year groups. It was wonderful to see their enthusiasm and curiosity as they shared their discoveries!

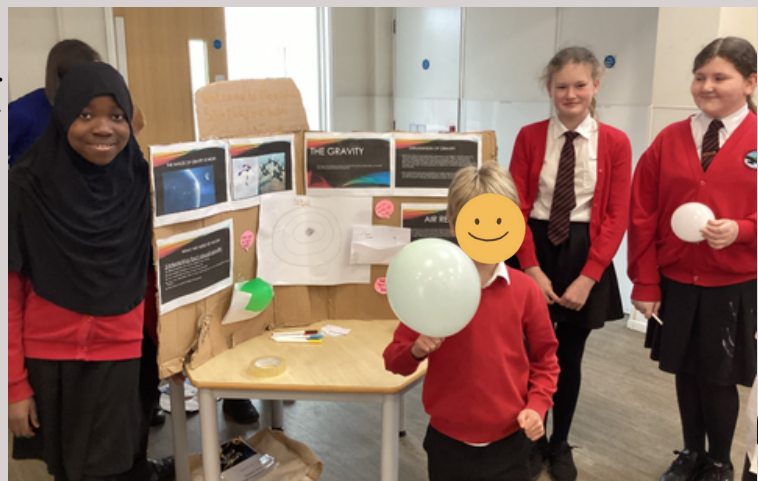

Year 5

Year 5 have been busy this week exploring creating circuits with sensors. This is part of our DT project and has links with science. Next step is to code a program to enable our lights to turn on and off automatically.

Year 6

We had a great time showing off our projects at the Science Fair!

Sophie Year 5 and Hazel Year 6 along with the rest of the Gazelles Squad completed a sponsored cartwheel event. Both girls completed a mile of cartwheels. They have so far raised over a £1000 for charity. Well done girls!

Well done to our KS1 Football team who had a wonderful time at the Crofty KS1 Football event at Pool Academy.

Do you want to help improve the life chances of every child in your local school?

- ***Do you want to help make a difference?***
- ***Looking for a new challenge and want to support your local community?***
- ***Can you spare some time to help us?***

We are seeking new governors to join our Local Governance Committee at Treloweth School.

As a governor you can help make a difference to every child in the school – by being a critical friend and both supporting and challenging the school's leadership team to drive school improvement.

You do not need previous experience of governance or education – just *the motivation to make a difference and the willingness to commit your time and energy.*

The Local Governance Committee meets every half term on a Wednesday at 5.00pm.

If this sounds like **you** and you would like to find out more, then please contact Rebecca Collins (Rebecca.collins@croftymat.org) for further information and details of how you can apply.

EASTER 2025

- Activities including multi sports, forest schools, circus skills, water sports and lots more - for children aged 5 to 16
- Every session includes a healthy meal for all children
- Funded places for ALL children eligible for benefits related free school meals

Activities are taking place across Cornwall during the Easter holidays from April 7th - 18th
