**This Week at Treloweth -
Living Our Values: Curious,
Kind, and Connected**

Welcome Back!

Dear Parents and Carers,
What a fantastic start we've
had to the summer term! It's
been such a joy to see the
school buzzing with energy-
smiling children, positive
behaviours, and a real sense
of excitement for learning.
From day one, the
atmosphere has been a true
reflection of our school
values: curious, kind and
connected.

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

THE CHOUGH

We've already seen great progress in classrooms, with pupils showing curiosity in their learning, kindness in their friendships, and strong connections across the school community. Thank you for continuing to support these values at home- they really do shine through in your children.

Looking ahead, we have a busy and exciting term planned. Our Year 5 pupils will be heading off to Camp Kernow for a memorable residential, while Year 6 are preparing for their adventure to Bristol. We're also thrilled to celebrate our Brilliance Club graduates at Plymouth University, and of course, everyone is gearing up for our much-anticipated Sports Days later this term.

A heartfelt thank you to everyone who completed our recent questionnaire. Your feedback is incredibly valuable. If you requested a meeting or a call and I haven't been in touch yet, please rest assured- I'll be contacting you next week.

Here's to a term full of learning, fun and shared success!

Warm regards,
Mrs French

DIAMONDS OF THE WEEK

STEM Day Results Are In! 🚀🔧📐

Last term's STEM Day was packed with innovation, teamwork, and impressive problem-solving from all houses. The final scores were:

- Botallack – 102
- Geevor – 103
- Poldark – 110
- Poldice – 108

A huge **congratulations** to **Poldark**, who stormed ahead to take the win! They've earned an extra **500 points** and **5 balls** in the **House Cup** draw for their outstanding efforts.

☀️ **Well done, Poldark – champions of STEM Day!**

Rainbows and Sunbeams

This week in Reception, we have been investigating tomatoes. We cut them open and planted their seeds ready for them to grow.

Year 1

During our PSHE lesson this week, the children enjoyed communicating using their bodies. The children communicated different emotions and commands.

Year 2

This week in Year 2 we have started to read the story 'Jack and the beanstalk'. We have focussed on how the characters might be feeling. We thought about what questions we could ask the characters and used them to help us in taking part in 'hot seating'.

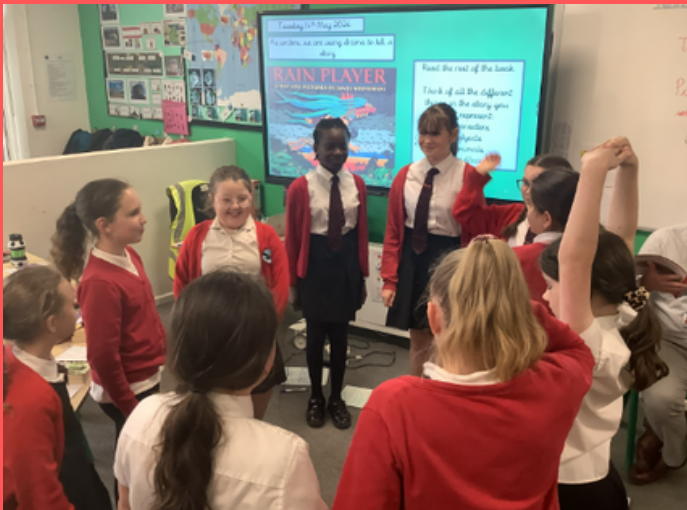

Year 3

We have been learning the column subtraction algorithm this week. We had fun learning about the concept of exchanging using dienes.

Year 4

This week in English, we have started to explore the myth of Pandora's Box through drama. After reading the story together, we took part in a hot seating activity, where pupils stepped into the role of Pandora and answered questions from the rest of the class. We asked thoughtful questions about how she felt before and after opening the mysterious box.

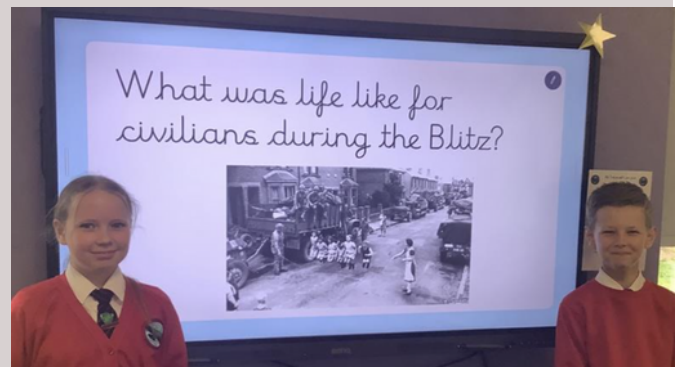

Year 5

Year 5 used various drama techniques to immerse ourselves into the Mayan story of The Rain Player.

Year 6

This week, we continued our learning on WW2 by thinking about primary and secondary sources.

Meet the Team

We'd love to invite you to a special event on
Wednesday 18th June, from 2pm to 3pm—a
chance to get a real taste of life at our
school!

Come along to sample some of the
delicious school meals provided by
Chartwells and enjoy an informal
opportunity to meet and chat with members
of our Senior Leadership Team and school
governors.

It's a great way to find out more about what
goes on behind the scenes, share your
thoughts, and connect with the people
helping to shape our school community.

We hope to see you there!
