CURIOUS

KIND

CONNECTED

**This Week at Treloweth -
Living Our Values: Curious,
Kind, and Connected**

This week, I want to take a moment to say how incredibly proud I am of our Year 6 pupils. They approached their SATs with resilience, positivity, and determination- qualities that matter far more than any test result. Whatever the outcomes, these children have already shown that they have what it takes to go far. The whole staff team are incredibly proud of every single one of them.

THE CHOUGH

Meanwhile, our Year 5 children have been embracing adventure and challenge at Camp Kernow, spending two nights away and living out our values of being curious, kind, and connected. From crafting and team-building to climbing and archery, they threw themselves into every activity with enthusiasm and courage. Staff who accompanied them spoke warmly about what a privilege it was to share the experience with such fantastic young people. A heartfelt thank you to all the staff who gave their time to make this unforgettable trip possible- it wouldn't have happened without you.

Today, our Year 3 pupils enjoyed a fantastic visit to the Eden Project. The children were inquisitive, thoughtful, and enthusiastic, showing real curiosity about the natural world and a strong sense of care for the environment and each other. It was a wonderful opportunity for them to take their learning beyond the classroom in such a meaningful way.

As we head into the final week of this half term, we're hoping the weather stays kind so we can make the most of the exciting plans still to come.

As always, if you have any questions or concerns, please don't hesitate to get in touch with a member of the team- we're here to help and to work together for every child at Treloweth.

Warm regards
Mrs French

DIAMONDS OF THE WEEK

ASPIRATIONS DAY – ADVANCE NOTICE

We're excited to let you know that on Tuesday 9th July, we will be holding our Aspirations Day- a special event where children are invited to come to school dressed as what they would like to be when they grow up. Throughout the day, there will be a range of activities to encourage the children to think about their future goals and dreams. It would be really helpful if your child can talk about the job they're aspiring to and why they've chosen it, as this will form part of the day's discussions and reflections. We can't wait to see the ambition, creativity and confidence shine through!

Notice to Parents:

Please do not allow your children to use this equipment at drop-off and pick-up times.
Equipment Must Only Be Used When Supervised by School Staff.

Important Announcement: We Are Becoming a Nut-Free School

From September, our school will be officially nut-free. This decision has been made to ensure the health and safety of all our pupils, including a new child joining us who has a severe nut allergy.

Even trace amounts of nuts can pose a serious risk, so we kindly ask for your full support in helping us create a safe, inclusive environment by not sending any nuts or nut-based products into school. This includes items such as peanut butter, chocolate spreads containing nuts, cereal bars with nuts, and any other snacks that list nuts as an ingredient.

We truly appreciate your understanding and cooperation in making our school a safe space for everyone. Our Nut-Free Policy can be found on our website.

THIS WEEK'S WINNING TEAM: **GEEVOR!**

Rainbows and Sunbeams

Reception classes have been very successful in their Ready, Set, Ride bicycle sessions. Lots of children have now progressed from balance bikes to pedal bikes. Brilliant work!

Year 1

The Year 1 children have had a great time playing shops this week! They have been practising their money skills by using coins to buy and sell items, and adding up prices. Great team work, Year 1!

Year 2

In Year 2, we have been learning about plants in Science. We have looked at how plants start as a seed and begin to germinate in the right conditions, before they grow into a plant.

Year 3

Year 3 have been learning about crochets and quavers in music. They also learned how to sing a song with actions in a 2 part round!

Year 4

This week, Year 4 launched into their new writing unit inspired by the short film Pigeon: Impossible. To kick things off, the class stepped into the shoes of secret agents, acting out scenes from the mission gone wrong. This drama activity helped the children understand and remember the film in a fun and active way. They're now beginning to using what they've learned to plan their very own mission reports.

Year 5

Both Class 5N and 5W enjoyed a sunny, challenging and enjoyable residential this week at Camp Kernow. Many happy memories were made with children experiencing archery, rock climbing, den building, bush craft, fire-lighting, felt making and team games. Well done to all involved - children and adults!

Year 6

What a week year 6 have had- and smashed it!! They have focused and concentrated so hard in their SATS, then played games showing great team work and enjoyed some relaxing "down time". We are so proud of everything they have achieved and it was a pleasure to see them enjoying their special surprise - candyfloss all round!

LIBRARY SESSIONS

We would like to offer parents and pupils the opportunity to use our school library! Each Monday starting on Monday 19th May, Miss Irons will be in the library from 3.20-4pm. We are inviting children, according to their year group, WITH an adult to come and choose, read, share our books.
