

# THE CHOUGH

Date: Friday 2nd May 2025

**CURIOUS**

**KIND**

**CONNECTED**

## This Week at Treloweth – Living Our Values: Curious, Kind, and Connected

As we come to the end of our first full week of the summer term, things have generally felt wonderfully calm across the school. It's been a quiet but purposeful week, with children fully immersed in their learning across the curriculum. There's a real buzz around our new writing units- pupils and teachers alike are enjoying them, and the results already are impressive! It's also been a joy to see drama and oracy bringing learning to life in so many classrooms.

## IMPORTANT DATES:

Year 5  
residential:  
Monday 12<sup>th</sup> May

Last day of term:  
Friday 23<sup>rd</sup> May

Year 6  
residential:  
Monday 16<sup>th</sup> June

Chartwells taster  
session:  
Wednesday 18th  
June

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

# THE CHOUGH

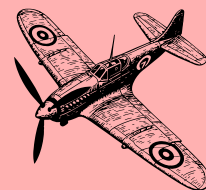

As always, if you have any worries or concerns, please don't hesitate to speak to a member of the team- we are always happy to listen and to work in partnership to ensure every child flourishes here at Treloweth.

Wishing you a relaxing long weekend;  
fingers crossed for the return of the  
sunshine!

Warm regards  
Mrs French

## VE DAY

Thursday 8th May marks the 80th anniversary of VE Day. To mark this event we invite all children to come school in red, white and/or blue.

## DIAMONDS OF THE WEEK

Hello Treloweth,

My name is Joshua and I am going to explain to you what I have been doing over the last few months. I've been collecting medals since Christmas. My dad inspired me to set out on this journey because he walks a long way.

The London challenge was 75 miles or 121 km. The Chinese medal took me 58 days, 121 miles or 259 km.

I am now trying to complete a Norway challenge (covering the same distance as the coast of Norway) to achieve another medal, which I'm very excited about, as it's the longest one I've ever done. I will have to walk over 2000km!

From Joshua

## ACCELERATED READER AT TRELLOWETH

We're excited to be continuing to use Accelerated Reader this term to support independent reading. After completing the Read Write Inc. programme, children take a Star Reading Test, which helps them find books that are just right for their reading level (ZPD). After reading a book, they complete a short quiz to check their understanding.

Parents can support by encouraging daily reading- a minimum of 10 minutes a day, ideally 15–20 minutes. It's also really helpful to talk with your child about what they've read and encourage them to take their quiz.

✨ Don't forget: children can quiz on books from home or the library- even if they're not in our school collection. You can use Google or AI tools to check if a book is the right level. If you're unsure, just ask your child's teacher.

We love celebrating progress! Whether it's earning a prize from the book vending machine or becoming one of our Millionaire Readers, there's always something to work toward.

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

## Rainbows and Sunbeams

Reception classes have been on a musical journey with this week's class story 'We're going on a Bear Hunt'. We explored playing a range of instruments: listened carefully to the sounds they made and matched them to the different settings in the book. We were so proud of the children's listening and attention skills - great work everyone!

## Year 1

Year 1 have been learning about the life and inventions of Richard Trevithick. They worked in groups to act out key moments from his life and shared their performances with one another. They had so much fun and were able to recall all of the key facts! Great work, Year 1!

## Year 2

In Year 2, as part of our D.T. topic we have been learning how to sew. We practiced how to do a running stitch as we develop our skills ready to make a hand puppet.

## Year 3

In Year 3, we've been acting out stories from the New Testament. We learned about Jesus and his disciples.

## Year 4

This week, Year 4 had a fantastic time taking part in a pasty making workshop! The children learned all about the traditional ingredients that go into a Cornish pasty and even had a go at the tricky art of crimping. It was a wonderful morning celebrating this Cornish staple!

## Year 5

In Year 5 we are improving our coding and furthering our knowledge through safe and detailed research questions.

## Year 6

Year 6 have started to explore their new text- War Horse, by Michael Morpurgo. This week, they have been improvising one of the scenes- where Joey, the horse, is bought by Albert's father at the horse auction. There are definitely some budding auctioneers amongst the classes- taking bids thick and fast!
