

# THE CHOUGH

Date: Friday 23rd May 2025

**CURIOUS**

**KIND**

**CONNECTED**

## This Week at Treloweth - Living Our Values: Curious, Kind, and Connected

What a joy it has been to see the sun shining this week! The beautiful weather has allowed us to make the most of our outdoor spaces- whether it's enjoying a picnic while tasting herbs from our garden, exploring our fantastic new orienteering course, or simply playing a good game of football on the field. It's been a wonderful reminder of how valuable outdoor learning and play are to our children's development and wellbeing.

## IMPORTANT DATES:

Last day of term:  
Friday 23<sup>rd</sup> May

Year 6  
residential:  
Monday 16<sup>th</sup> June

Chartwells taster  
session:  
Wednesday 18th  
June

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

# THE CHOUGH

Our Year 6 pupils are now in full swing preparing for their end-of-term production- there was great excitement yesterday as parts were chosen, and rehearsals are already underway. We can't wait to see the final performance!

A huge congratulations to our first graduates of The Brilliant Club, who attended their celebration day at Plymouth University this week. They were fantastic ambassadors for Treloweth and should be extremely proud of their achievement.

Some of our Year 3 children also had the opportunity to take part in an art workshop at Kresen Kernow, helping to create resources for the upcoming Murdoch Day. This will beautifully complement the stunning withie sculptures crafted by Mrs Richards and Mrs Cottle- thank you both for your creativity and dedication.

Looking ahead, next half term is packed with exciting opportunities: Murdoch Day, Sports Days, Sustainability Week, transition sessions, and the eagerly anticipated Year 6 residential to Bristol, to name just a few.

Wishing all our families a restful and joyful half term break. We look forward to welcoming the children back, refreshed and ready for the fun but busy weeks ahead!

Warm wishes  
Mrs French

## DIAMONDS OF THE WEEK

### ASPIRATIONS DAY – ADVANCE NOTICE

We're excited to let you know that on Tuesday 9th July, we will be holding our Aspirations Day- a special event where children are invited to come to school dressed as what they would like to be when they grow up. Throughout the day, there will be a range of activities to encourage the children to think about their future goals and dreams. It would be really helpful if your child can talk about the job they're aspiring to and why they've chosen it, as this will form part of the day's discussions and reflections. We can't wait to see the ambition, creativity and confidence shine through!

# THE CHOUGH

## TALKING ASSEMBLY QUESTION:

Would you rather be a kid or a grownup?

CLASS ATTENDANCE WINNERS  
THIS WEEK ARE:

**RAINBOWS, 2F, 6I**

## HOUSE POINT RESULTS

	25/4	2/5	9/5	16/5	23/5
Poldark	328	<b>567</b>	293	357	359
Botallack	<b>377</b>	506	<b>423</b>	450	<b>602</b>
Geevor	371	549	394	<b>462</b>	416
Poldice	309	538	356	415	524

THIS WEEK'S WINNING TEAM: **BOTALLACK!**

## Rainbows and Sunbeams

This week, Rainbows and Sunbeams have been exploring herbs and spices used to make tea. We have learnt that different types of tea drunk around the world and we have had a go at making our own herbal tea.

## Year 1

In Year 1 we have been securing our knowledge of 1p, 2p, 5p and 10p coins. We enjoyed purchasing items using the different coins.

## Year 2

This week in Year 2 we finished creating our amazing puppets. We learnt how to use running stitch to join two pieces of fabric, then we designed a hand puppet and used various materials to decorate them.

## Year 3

Year 3 visited the Eden Project to learn about plants and forest biomes. We had a great time seeing new plants and learning new facts.

## Year 4

This week, Year 4 stepped into the world of Roman craftsmanship! The children had a fantastic time shaping their own Roman-style pots out of clay, before carefully carving repeated patterns into them.

## Year 5

This week Year 5 have enjoyed completing their non-chronological reports, improving their confidence in holding Spanish conversations and testing paper helicopters in science, where we learnt that the larger the surface area, the more air resistance there is. Here we are applying our estimating, measuring and calculation skills outside.

## Year 6

Year 6 have been thespians this week, following in the footsteps of great actors and play-writes! It's been an exciting week, getting to know about our Year 6 play- "The Wrong Way Round" and auditioning for parts, as well as improvising and writing our own playscripts based on the story of Joey, in War Horse.
