

# THE CHOUGH

Date: Friday 9th May 2025

CURIOUS

KIND

CONNECTED

## This Week at Treloweth – Living Our Values: Curious, Kind, and Connected

This week at Treloweth, we've come together as a school community to mark the 80th anniversary of VE Day- a powerful opportunity for reflection and learning. The children looked fantastic in their red, white, and blue, showing great respect during the two minutes' silence and engaging thoughtfully in class assemblies that explored the significance of the day. It was heartening to see them approach this important event with such maturity, curiosity, and compassion.

## IMPORTANT DATES:

Year 5  
residential:  
Monday 12<sup>th</sup> May

Last day of term:  
Friday 23<sup>rd</sup> May

Year 6  
residential:  
Monday 16<sup>th</sup> June

Chartwells taster  
session:  
Wednesday 18th  
June

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

# THE CHOUGH

We've also seen a fantastic start to our summer term clubs. With such a wide range on offer, we've been able to allocate some children more than one club- first come, first served basis. A huge thank you to the staff who generously give their time to offer these free enrichment opportunities.

Their commitment helps create the vibrant and inclusive learning environment we are so proud of.

Looking ahead, we're excited to announce that from next term we will be introducing an online booking system for clubs—more details will follow in September.

As always, we're here to work in partnership with you to support your child to thrive. If you have any questions or concerns, please don't hesitate to get in touch with a member of the team.

Warm regards  
Mrs French

## DIAMONDS OF THE WEEK

### ASPIRATIONS DAY – ADVANCE NOTICE

We're excited to let you know that on Tuesday 9th July, we will be holding our **Aspirations Day**- a special event where children are invited to come to school dressed as what they would like to be when they grow up. Throughout the day, there will be a range of activities to encourage the children to think about their future goals and dreams. It would be really helpful if your child can talk about the job they're aspiring to and why they've chosen it, as this will form part of the day's discussions and reflections. We can't wait to see the ambition, creativity and confidence shine through!

# THE CHOUGH

## TALKING ASSEMBLY QUESTION:

Would you rather fly or breathe underwater and why?

## CLASS ATTENDANCE WINNERS THIS WEEK ARE:

# 6s

## HOUSE POINT RESULTS

	25/4	2/5	9/5			
Poldark	328	<b>567</b>	293			
Botallack	<b>377</b>	506	<b>423</b>			
Geevor	371	549	394			
Poldice	309	538	356			

THIS WEEK'S WINNING TEAM: **BOTALLACK!**

## Rainbows and Sunbeams

In EYFS this week the children have been taking part in a writing assessment. They have enjoyed showing off all of their phonic skills when writing about Fred's adventures.

## Year 1

In maths, we have been learning to explain the value of a 1p coin in pence. The children enjoyed using pennies to buy items up to the value of 20p.

## Year 2

In Year 2 we have continued our story 'Jack and the beanstalk'. This week we have been learning about sequencing and how it helps us to build the story in the correct order. We worked together in a group to help sequence the story and then retold it

## Year 3

In DT, we've been practicing our running stitch ready for our final product - a fabric pencil case!

## Year 4

This week, Year 4 took part in some exciting orienteering activities. It was lovely to be outside in the sunshine, putting our map reading skills into practice!

## Year 5

In Year 5, we have been getting practical with measures - We carefully measures various lengths of our bodies and converted the units by multiplying and dividing by 10, 100 or 100.

## Year 6

Year 6 have continued to explore the themes of friendship, kindness and courage as they have read the next chapters of War Horse. They have acted using playscripts, written their own playscripts, diaries, enjoyed "Hot Seating" characters from the narrative and found out how Joey the horse "comes alive" on stage! .... As well as revising for important tests next week!

# LIBRARY SESSIONS

We would like to offer parents and pupils the opportunity to use our school library! Each Monday starting on Monday 19th May, Miss Irons will be in the library from 3.20-4pm. We are inviting children, according to their year group, WITH an adult to come and choose, read, share our books.

## Open library sessions

Date	Year group
Monday 19th May	EYFS
26/5/25 HALF TERM	
Monday 2nd June	Y6
Monday 9th June	Y5
Monday 16th June	No session
Monday 23rd June	Y4
Monday 30th June	Y3
Monday 7th July	Y2
Monday 14th July	Y1

Disclaimer: Treloweth School cannot accept any responsibility for cakes provided by parents at the Bake Sale. Cakes may contain the following ingredients: milk, eggs, wheat, peanuts, and tree nuts. If you have a food allergy, please check ingredients.

**Chartwells**  
So much more than fantastic food

Fuelling pupils with nutritious and delicious food is our number one priority. We are committed to meeting the School Food Standards and promise that our menus will never include banned sugary snacks or drinks, which typically account for half of children's sugar intakes.

**OUR NEW SPRING/SUMMER 2025 MENU HAS ACHIEVED A 61% REDUCTION IN SUGAR ON OUR DESSERT LINE!**

- Reformulation of popular recipes to reduce total sugar content
- Reduction in portion sizes of high sugar items, staying within the School Food Standards portion guidelines
- Working with suppliers to reduce sugar content in products
- Innovative development for new desserts
- Analysing menus year on year to ensure reduced sugar content
- Raising awareness of sugar consumption through a range of nutrition education initiatives

Chartwells' pledge to reduce the sugar in children's diet doesn't end there! Our nutrition team are also on hand to deliver nutrition education sessions, supporting children to understand how to make their own balanced dietary choices, to best prepare children for a healthy life beyond the school gates. For further enquiries or bookings, please contact your local Chartwells manager or email: [Chartwells.CSU@compass-group.co.uk](mailto:Chartwells.CSU@compass-group.co.uk)

For more information on our sugar journey please contact: [menu@chartwells.co.uk](mailto:menu@chartwells.co.uk)

- Excess sugars linked to tooth decay, obesity and type 2 diabetes
- Free sugars add calories to diets without nutritional benefit
- Harvesting sugar beet is using prime agricultural land - a crop which we should be eating less of
- Reformulation has the potential for a huge, positive impact on our food system and health

✓ Achieved over 61% reduction in total sugars since 2016

☒ Tasty and delicious
