CURIOUS

KIND

CONNECTED

Curious, Kind, and Connected - Weekly update

It's been a wonderfully positive week at Treloweth, full of the energy and enthusiasm that makes our school such a special place.

We've been especially proud of our Year 5 children, who are stepping up as active and responsible members of our school community. A group of pupils have independently organised fundraising efforts for new Buddy Benches- selling cookies and even planning a sponsored event: the "Bedazzle of Mr John's Head" at the end of term! Their kindness, initiative, and community spirit are brilliant examples of our Curious, Kind, Connected values in action.

IMPORTANT DATES:

Year 6 residential:
Monday 16th June

Chartwells taster session: Wednesday 18th June

Sports days: June 16th-19th at 1.30-3.15pm.
(Monday-EYFS, Tuesday- Y1 and Y2, Wednesday Y3 and Y4, Thursday Y5 and Y6)

Aspirations Day - Tuesday 9th July

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

THE CHOUGH

Year 5 also held their House Captain elections today, and it was fantastic to see how much thought and effort they put into their speeches. Regardless of the outcome, every candidate should feel incredibly proud of their confidence and commitment.

Excitement is building for Murdoch Day tomorrow! The final touches are being made, and our withie sculpture-crafted with great care by Mrs Richards and Mrs Cottle- is looking amazing. Thank you both for your creativity and dedication.

Meanwhile, our Year 4 pupils have been blowing us away with their multiplication skills during the National Multiplication Tables Check. Their hard work, focus, and determination are truly commendable.

This week has shown just how deeply our children live out our values of being curious learners, kind friends, and connected citizens. We look forward to celebrating Murdoch Day together and continuing to make meaningful memories as the term unfolds.

Warm wishes
Mrs French

THE CHOUGH

DIAMONDS OF THE WEEK

MURDOCH DAY

A big thank you to Mrs Richards and Mrs Cottle for their hard work making our masterpiece 'The Cornishman' train. Year 3 will be parading their artwork through Redruth on Saturday to celebrate 200 years of railway!

THE CHOUGH

TALKING ASSEMBLY QUESTION:

If you were stranded on a deserted island, what three things would you want to have with you?

CLASS ATTENDANCE WINNERS THIS WEEK ARE:

5W WITH 99.64%

HOUSE POINT RESULTS

	6/6				
Poldark	322				
Botallack	304				
Geevor	322				
Poldice	327				

THIS WEEK'S WINNING TEAM: **POLDICE!**

Rainbows and Sunbeams

Reception classes have made so much progress with their counting collections. They are able to use tens frames to organise and count their collections. We are so proud to see children confidently recording their count using part, part whole models and number sentences. Well done Reception!

Year 1

In Science, we concluded our learning about vertebrates and grouped animals according to their features.

Year 2

In Computing, we have been exploring coding using our brand new Sphero Indis. These little cars are given instructions through the use of different coloured tiles.

Year 3

Year 3 did a fantastic job of making their fabric cases. They followed instructions carefully and worked hard to overcome challenges to produce a product that they will use and enjoy for many years to come.

Year 4

This week, Year 4 brought their Roman-inspired clay pots to life with paint! After weeks of planning and practising repeated patterns, the children finally decorated their creations with care and creativity. It's been wonderful to see their ideas take shape — well done, Year 4!

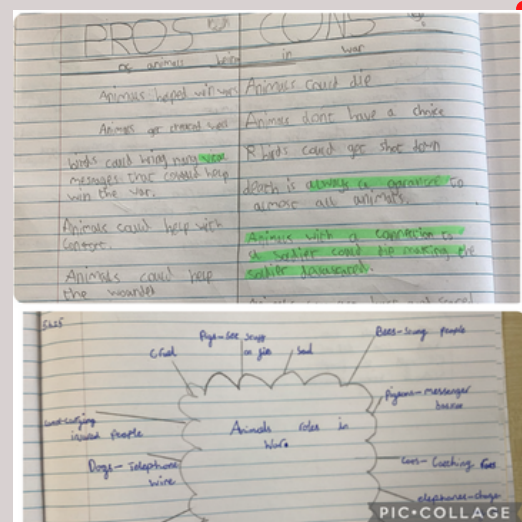

Year 5

In maths, in Year 5 we have been converting between imperial and metric measures. Most, if not all children agree metric is much more easier!

Year 6

In Year 6 we have started to collect evidence, facts and organise our opinions to write pieces of persuasive writing and debate topics like: Should school start later? Should animals be used in war? Pizza is the best school lunch option. Watch out Members of Parliament- we think we can do a better job than some of you!

SPACE

Supporting Parents And Children Emotionally

SPACE is a free programme for any parent or carer who wants to better understand and support the children's emotions as well as their own.

This 5 week workshop will cover:

- Understanding what is meant by a Trauma Informed approach
- Understanding toxic stress and the flight/fight response
- Practical approaches to support children to regulate their emotions
- Healthy coping strategies for dealing with stress
- Managing different emotions
- Understanding behaviour
- Building resilience in ourselves and our children
- Adopting appropriate expectations of children
- Enhancing your ability to provide nurturing care

MHST has an available upcoming programme beginning:

**Thursday 12 June 2025 at 1:30pm
at Treloweth School**

To request a place, complete the online form or scan the QR code provided:
