

THE CHOUGH

Date: Friday 11th July 2025

CURIOUS

KIND

CONNECTED

Curious, Kind, and Connected - Weekly update

What a wonderful week it has been at Treloweth—full of inspiration, celebration, and shining examples of our school values in action.

On Aspirations Day, our school was buzzing with excitement as children came dressed as who they hope to be in the future—from pole vaulters and wrestlers to teachers, farmers, and everything in between.

IMPORTANT DATES:

Last day of term
- Friday 18th July
(Finish at normal time). **No after school club.**

4th November -
Flu
Immunisations

First day back to
school -
Thursday 4th
September.

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

THE CHOUGH

We were also incredibly lucky to be joined by author Ellie Jackson on Wednesday and Friday. Her passion for storytelling and environmental awareness was truly inspirational. The quality and thoughtfulness of the writing produced by the children in response to her visit has been overwhelming—we're so proud of the creativity and engagement she helped to inspire.

A huge highlight of the week was Year 6's performance of "The Wrong Way Round". The pupils dazzled us all with their talent, energy, and teamwork. It was a fitting and emotional celebration of their time at Treloweth, and they truly shone on stage.

Today, we rounded off the week with our final Diamond Day of the year. Even with a few extra breaks to keep everyone cool and hydrated, the children embraced the chance to take their learning outside. The day was filled with joy, discovery, and plenty of sunshine.

As always, thank you for your continued support. We are so proud of how our children continue to grow as curious learners, kind individuals, and connected members of their school and wider community.

Warm wishes
Mrs French

Could you please ensure that your ParentPay account is up to date before the end of term. The end of year for ParentPay needs to be run on July 25th.

HENAVEK

We were very lucky to have Mr Holland's band Henavek perform for us this week. We had the pleasure of enjoying their folk music and learning about traditional Cornish music.

Rainbows and Sunbeams
EYFS have enjoyed exploring shape this week in our maths learning.

Year 1

In Year 1, the pupils took part in an interactive activity to learn about Richard Trevithick. They created a human timeline to sequence key events from his life and understand his impact on transport history.

Great work, Year 1!

Year 2

Year 2 loved spending time outdoors for Diamond Day. We took part in some orienteering games, created mandala inspired art works and crafted our own nature crowns. We also had chance to meet local author Ellie Jackson, who is inspired by animals stories from around the world.

Year 3

Year 3 used clay techniques such as scoring, pinching and coiling to make Ancient Greek pots. They linked their learning to our trip to the Barbara Hepworth museum.

Year 4

Year 4 had a fantastic Aspirations Day! It was wonderful to hear the children confidently share their hopes and dreams for the future; their ambition and enthusiasm were inspiring!

Year 5

Year 5 enjoyed a trip to the future on Wednesday with Aspirations Day - We discussed our dream careers and planned steps to achieve our goals.

Year 6

Year 6 enjoyed a visit by an author, Ellie Jackson. Children enjoyed finding out about the process of writing a book and some tried this for themselves!
