

# THE CHOUGH

Date: Friday 4th July 2025

**CURIOUS**

**KIND**

**CONNECTED**

## Curious, Kind, and Connected - Weekly update

It's been another fantastic week at Treloweth, filled with energy, exploration, and enthusiasm- everything we value in our curious, kind, and connected school community.

We've loved seeing so many children taking their learning outside and making the most of our orienteering trail. It's been wonderful to watch them problem-solve, collaborate, and enjoy the outdoors while deepening their understanding across the curriculum.

## IMPORTANT DATES:

Aspirations Day -  
**Wednesday 9<sup>th</sup>**  
July

Y6 performances  
- Thursday 10<sup>th</sup>  
July (9.30am,  
2pm, 5pm)

Last day of term  
- Friday 18<sup>th</sup> July  
(Finish at normal  
time).

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

# THE CHOUGH

A group of Year 5 and Year 6 pupils proudly represented Treloweth at the recent Tech Girls event, engaging with technology and innovation in exciting new ways. Their confidence, curiosity, and teamwork were a real credit to the school.

Our Eco Council also had the opportunity to visit Trannack School, where they took part in a range of eco-themed activities. Their commitment to making positive changes and connecting with pupils from other schools showed real maturity and a strong sense of shared purpose.

Back at Treloweth, all children enjoyed their first transition session in their new classes this week. It was fantastic to see them beginning to build relationships with their new teaching teams and getting a taste of what's to come in September.

And finally, Year 6 are busy putting the finishing touches on their end-of-year performance, "The Wrong Way Round." Their dedication, teamwork, and excitement have been a joy to watch- we can't wait to see them shine on stage!

Thank you for your continued support as we move through these busy final weeks. We're proud of every child and how they continue to grow into learners and leaders who are truly curious, kind, and connected.

Warm wishes  
Mrs French

Botallack	304	362	<b>418</b>	309	328
Geevor	322	326	261	<b>362</b>	305
Poldice	<b>327</b>	377	279	356	<b>344</b>

**THIS WEEK'S WINNING TEAM: POLDICE!**

# Author Visit

Exciting news! As part of our Aspirations day and learning linked to sustainability, on Wednesday 9th July and Friday 11th July, we are thrilled to welcome local environmental author Ellie Jackson for a special reading of her books. Children will learn about the animals featured, the challenges they face, and be inspired by the ways we can all help.

Ellie's full collection of 7 books will be available at a special price of £5 each and she can sign and dedicate each copy. Plus, each child who orders a book will receive a free bookmark and postcard - a wonderful keepsake! Please pay via ParentPay if you wish to buy a copy. Deadline for ordering titles will be Thursday 10th July. Your child will be able to choose their favourite title of their book on the day.

A huge congratulations to Theo and Leo, who completed a monumental Cubs challenge last weekend!

These two superstars walked an incredible 15 miles over two days, showing true determination, resilience, and team spirit.

What a fantastic accomplishment—we are all so proud of you both!

### Rainbows and Sunbeams

Reception classes have been exploring shape this week. We have enjoyed creating our own shape creations.

### Year 1

In Geography, we have been learning about Nigeria. This week, the children enjoyed tasting jollof - a West African rice and some of the fruits that are grown in Nigeria (mango and watermelon).

### Year 2

In Year 2, we visited Godolphin House, part of the National Trust. The children had a great time exploring the gardens, going on a bug hunt and making their own mini beasts out of clay.

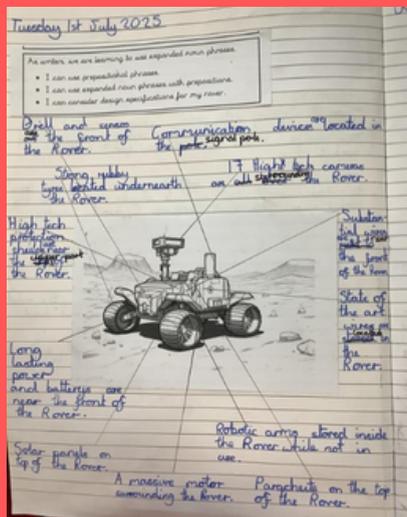

### Year 3

In Year 3, during our music lessons we've been singing in rounds! We learned some actions to go along with our song.

## Year 4

This week in English, Year 4 explored the poem *The Wind on the Hill* by A.A. Milne. The children worked in groups to rehearse and perform different stanzas, using expression and movement to bring the words to life. We then combined our efforts to perform the poem as a whole class – a wonderful celebration of poetry and teamwork!

## Year 5

This week Year 5 have continued to study *Curiosity* - and how to construct an explanatory text.

## Year 6

Year 6 have rehearsing relentlessly and are ready to perform 'The Wrong Way Round' next week! They have prepared their own programmes this week for their adults.
