CONNECTED

Curious, Kind, and Connected - Weekly update

This week has been another fantastic week at Treloweth, with all our children continuing to settle beautifully into their new routines. It's been lovely to see classrooms full of enthusiasm, curiosity, and kindness as the term gathers pace.

Our "Meet the Teacher" events have been a real success—thank you to all the parents and carers who were able to attend and engage with your child's learning journey. On Wednesday, we also held our SEND Coffee Morning, which was very well attended. We're already planning our next one for the spring term and will share the date as soon as it's confirmed.

IMPORTANT DATES:

2.10.2025 -

Census Day

9.10.2025 -

Individual photo day (Whole school)

Week beginning

27.10.2025 - Half term.

4.11.2025 - flu

immunisations

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

THE CHOUGH

To help keep our children fit, active, and healthy, we make the most of every opportunity to get outside—whatever the weather! Please ensure your child brings a suitable coat to school, and on PE days, a change of clothes can be useful just in case.

As always, thank you for your ongoing support and partnership. Working together helps every child at Treloweth to flourish. If you have any questions or concerns, please don't hesitate to speak to a member of the team.

Warm wishes
Mrs French

TALKING ASSEMBLY QUESTION:

What is your favourite word and why?

**CLASS ATTENDANCE WINNERS
THIS WEEK ARE:**

99% EACH- 4R AND 5W

HOUSE POINT RESULTS

	19/9					
Poldark	244					
Botallack	290					
Geevor	262					
Poldice	234					

THIS WEEK'S WINNING TEAM: BOTALLACK!

Rainbows and Sunbeams

This week Reception children started their reading journey by learning their sounds. We are so pleased already with their progress - keep up the great work!

Year 1

Year 1 have been enjoying their practical maths lessons. The children have been using Numicon to explore number patterns and practise ordering numbers with lots of enthusiasm. Great work, Year 1!

Year 2

In Year 2, we have been inspired by the art work of Georges Seurat. He created intricate paintings through the use of dots which is known as 'pointillism'.

Year 3

Year 3 have been creating similes and metaphors to describe characters. We've been using some powerful adjectives!

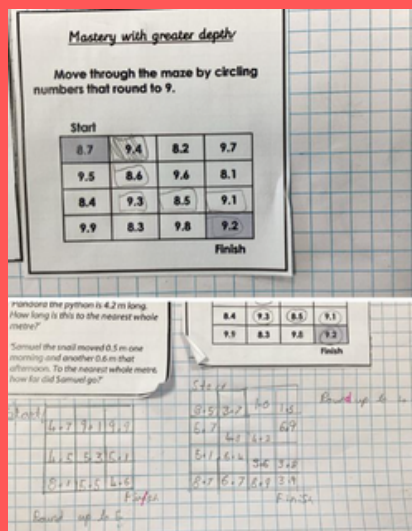

Year 4

This week in science, we began learning about the human digestive system. We then drew around our friends and placed the organs in the correct position.

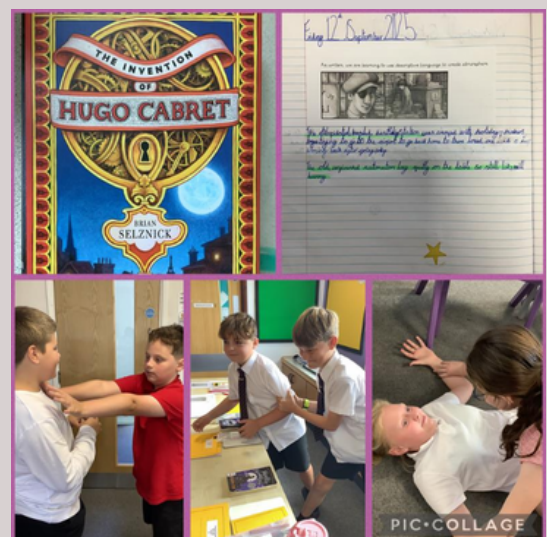

Year 5

This week in maths, Year 5 we have been learning about decimals and today rose to the challenge of putting what we know into a game! Can you follow a path through the maze?

Year 6

Year 6 have been immersing themselves into their new book - The Invention of Hugo Cabret. They have used role play and hot-seating to understand and connect with the characters and this has inspired some very powerful writing!

DIAMOND OF THE WEEK

Welcome to Treloweth School
IS YOUR CHILD STARTING
SCHOOL IN SEPTEMBER 2026?

TRELOWETH SCHOOL

Higher Broad Lane
Redruth
Cornwall
