Curious, Kind, & Connected - Weekly Update

It has been another wonderful week at Treloweth, filled with moments that truly reflect our school values of being curious, kind, and connected.

Our School Councilors have been hard at work this week, helping to plan the new open space at Moorfield Park. They were fantastic ambassadors for our school- full of creative ideas, thoughtful questions, and genuine enthusiasm. The volunteers who worked with them were so impressed by their contributions, and Mrs Morgan, who accompanied them, was absolutely blown away by how beautifully they demonstrated curiosity, kindness, and connection in action.

IMPORTANT DATES:

WB 27.10.2025 – Half Term

3.11.2025 – CROFTY INSET (No Children in school on this day)

4.11.2025 – Flu Immunisations

14.11.2025 – Children In Need 'Challenge Yourself to 25' (Own clothes day / sports and stripes)

24.11.2025 – Parent Consultations (Sunbeams, 1N, 2F, 3B, 4R, 5W, 6S)

25.11.2025 – Parent Consultations (Rainbows, 1M, 2J, 3W, 4K, 5N, 6H)

WB 1.12.2025 – Last Week of Clubs

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities in the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

THE CHOUGH

On Wednesday, we were delighted to welcome Tamsin Lamb, Director of Education for Crofty, who spent time observing reading lessons and speaking with both pupils and staff about how we teach reading at Treloweth. She was very impressed by what she saw and heard, and I was incredibly proud of the children who spoke to her — they were articulate, confident, and clearly passionate about their learning.

Then, on Thursday, we were joined by Martin Holmes for an engaging and informative assembly all about the Union Jack. The children listened with great interest and curiosity, asking thoughtful questions and showing real respect and enthusiasm throughout.

As always, thank you for your ongoing support. It is such a privilege to see our children growing in confidence, knowledge, and kindness each week. If you have any questions or concerns, please don't hesitate to get in touch with your child's class team or with me directly.

Wishing you a lovely weekend.

Mrs French

Talking Assembly Question:

Would you rather be as big as an elephant or as small as an ant?

Class Attendance Winners this week are:

5W with 100%

House Point Results

	19/09	26/09	03/10	10/10	17/10	24/10

Geevor	262	230	295	318	290	
Poldice	234	233	300	352	304	

This week's winning team is **Poldark**

Rainbows & Sunbeams

EYFS have enjoyed a stroll around the school grounds looking for signs of Autumn colours. We found lots of leaves of many different shapes and sizes and created our own Autumn Crowns.

Year 1

In Year 1, the children have been learning to count accurately. The children enjoyed collecting objects and counting them accurately. They then compared amounts with a friend.

Year 2

In English, we have been reading 'The Book of Bears' by Katie Viggers. We have used the text to research lots of different facts about the 8 species of bear. We then used these facts to write our very own non-chronological reports.

Year 3

In Maths, Year 3 applied their knowledge of ones, tens and hundreds to real life scenarios and were set the challenge to measure objects accurately discussing the appropriate units.

Year 4

Year 4 have loved learning all about the digestive system this term. Their favourite lesson was a hands-on activity where they recreated the journey of food through the digestive system using crackers, bananas, orange juice and even a pair of tights! It was a brilliant way to bring science to life and helped us all understand how our bodies work in a fun and memorable way.

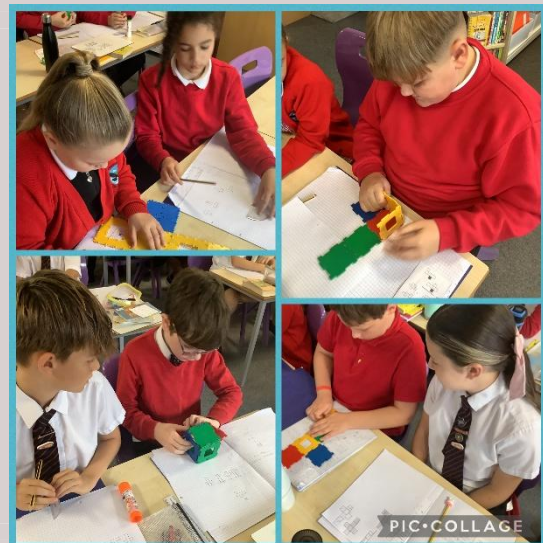

Year 5

In Year 5, beetles have become one of our favourite creatures! After reading Beetle Boy we have enjoyed producing some super poetry and scientific information. We didn't realise we had our very own Beetle Boy though...Jago has been sharing his beetle Bella with the classes.

Year 6

In Maths, we have been enjoying our new unit on drawing and composing shapes. We have been discovering the many ways in which a cube net can be arranged. We have also been learning how to find the area and perimeter of parallelograms and triangles.

Diamonds of the Week

Welcome to Treloeweth School
IS YOUR CHILD STARTING
SCHOOL IN SEPTEMBER 2026?
