Kind

Connected

Curious, Kind, & Connected - Weekly Update

As we reach the end of what has been a long and very busy half term, I want to take a moment to celebrate how wonderfully the children have settled into their new groups and routines. Across the school, we have seen so many examples of our values - curious, kind, and connected - shining through in all they do.

Our Year 4 and Year 6 pupils enjoyed a fascinating visit to East Pool Mine, where they watched a film version of the text they have been studying. It was a brilliant opportunity to bring their learning to life, showing real curiosity and enthusiasm as they connected their classroom studies to local history.

IMPORTANT DATES:

WB 27.10.2025 – Half Term

3.11.2025 – CROFTY INSET (No Children in school on this day)

4.11.2025 – Flu Immunisations

14.11.2025 – Children In Need 'Challenge Yourself to 25' (Own clothes day / sports and stripes)

24.11.2025 – Parent Consultations (Sunbeams, 1N, 2F, 3B, 4R, 5W, 6S)

25.11.2025 – Parent Consultations (Rainbows, 1M, 2J, 3W, 4K, 5N, 6H)

WB 1.12.2025 – Last Week of Clubs

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities in the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

THE CHOUGH

Year 2 also headed out on a locality walk this week to support their geography learning. Their keen observations and thoughtful discussions showed how curious and connected they are to the world around them.

On Monday, our Year 5 and 6 children took part in workshops with Beris from "Rice and Peas", exploring themes from Black History. Year 4 joined them for an inspiring assembly led by Beris, who praised the children for their engagement, respect, and insightful questions. It was a powerful example of how our pupils' curiosity and kindness help them understand and appreciate the experiences of others.

As ever, if you have any questions or concerns, please don't hesitate to get in touch.

Wishing you all a restful and well-deserved half-term break; thank you for your continued support.

Warm regards
Mrs French

Talking Assembly Question:
Is Halloween just for children, or
can adults enjoy it too?

**Class Attendance
Winners
this week are:**
2J, 4R & 5N with 98%

House Point Results

This week's winning team is **Geevor**

Rainbows & Sunbeams

This week in Maths, we have been comparing quantities using the vocabulary 'more than'.

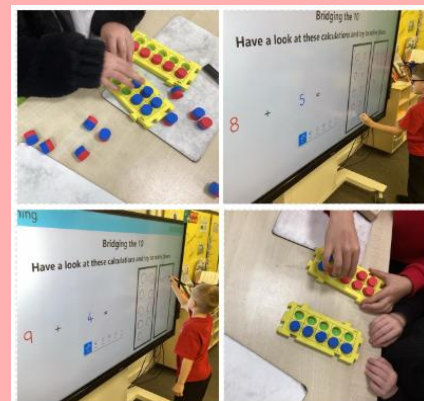

Year 1

In Art, the children have been carefully mixing primary colours to make secondary colours.

Year 2

Year 2 have been using tens frames to help them add two single-digit numbers that cross ten. They worked carefully to make groups of ten and used their understanding of number bonds to find the totals.

Year 3

Year 3 were invaded this week by an army of cute hedgehogs. These were brilliantly made alongside other Autumnal crafts.

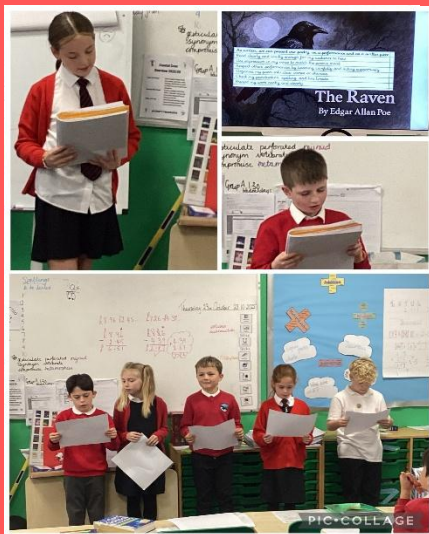

Year 4

This week in DT, Year 4 had a brilliant time designing and making their own torches using recycled materials. It was a fantastic hands-on project and the torches looked amazing!

Year 5

Year 5 have been creating poetry over the last two weeks and today we performed our poems influenced by the classic poem, The Raven, to the class. The children read loudly and with expression so the poems could be appreciated by everyone!

Year 6

Year 6 visited East Pool Mine this week to enjoy watching the film adaptation of the book - The Invention of Hugo Cabret. They had fun searching for different mining objects and features in a game of picture bingo too!

Diamonds of the Week
