## Curious, Kind & Connected - Weekly Update

Dear Parents and Carers,

It has been another thoughtful and vibrant week at Treloweth, with our children once again showing what it means to be curious, kind, and connected.

This week, we came together as a school community to mark Remembrance Day. Our Year 5 and 6 pupils joined a live remembrance assembly organised by the Royal British Legion, while the whole school shared in a special assembly of our own. The children observed the two minutes' silence with great respect and maturity - a powerful moment of reflection on the bravery and sacrifices of others.

## IMPORTANT DATES:

**24.11.2025** - Parent Consultations (Sunbeams, 1N, 2F, 3B, 4R, 5W, 6S)

**25.11.2025** - Parent Consultations (Rainbows, 1M, 2J, 3W, 4K, 5N, 6H)

**WB 1.12.2025** - Last Week of After School Clubs.

**8.12.2025** - Christmas Fayre (3:20pm - 4:30pm)

**9.12.2025** - Rock Steady Concert (2:30pm)

**10.12.2025** - Father Christmas Visit

**15.12.2025** - EYFS Christmas Nativity Performance (2pm)

**17.12.2025** - Yr 1/2/3 Christmas Performance Day (9:30am/2pm/5pm)

**18.12.2025** - Yr 4/5/6 Christmas Performance Day (9:30am/2pm/5pm)

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities in the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services

# THE CHOUGH

Today, the school was bright with spots and stripes as we supported Children in Need. It was lovely to see the children's enthusiasm and generosity as they took part in this national event, helping to make a difference to others.

On Thursday, we were proud to host the interviews for Crofty Education Trust's new CEO. The school was buzzing with visitors - Headteachers, Trustees, and members of the Crofty central team - and our pupils made a wonderful impression.

They followed our Diamond Rules beautifully, showing impeccable behaviour and confidence. A special mention goes to the ten children who formed the pupil interview panel; they asked thoughtful questions and represented Treloweth with pride.

Looking ahead, next week we are excited to welcome two days of skipping workshops, organised by Mr Shaughnessy. These sessions promise to be fun, active, and full of energy - thank you to him for bringing this opportunity to our school.

As always, if you have any questions or concerns, please do get in touch with one of the team.

Wishing you a restful weekend,

**Warm regards,  
Mrs French**

## Talking Assembly Question:

Is it possible to be happy  
and sad at once?

## Class Attendance Winners:

3W & 5N with 99%

## House Points Results:

	07/11	14/11	21/11	28/11	05/12	12/12	19/12
Botallack	279	346					
Geevor	295	394					
Poldark	303	420					
Poldice	248	266					

This week's winner is:  
**Poldark**

## Rainbows & Sunbeams

This week in Reception, we have been showing our respect for all the soldiers, sailors and airmen who helped to keep us safe over the years. We have been creating our own poppies with multi link cubes and paints.

## Year 1

This week in Maths, the Year 1 children have enjoyed learning and creating their own repeating patterns. Great work, Year 1!

## Year 2

As part of our R.E. learning, Year 2 held a Toy Sale to raise money for charity. We were able to raise over £70! Next week, the children will decide which charity to donate the money to. A huge thank you to everyone who supported us.

## Year 3

In Year 3, we combined our Geography learning with Computing and used Digimaps to look at the area around our school and compare it to Truro, the only city in Cornwall.

## Year 4

This week, Year 4 have been busy exploring the world of podcasting! They've enjoyed writing their own scripts and recording creative podcasts in their Computing lessons. It's been a fantastic opportunity for them to develop their speaking, listening, and storytelling skills - and they've had great fun doing it!

## Year 5

Year 5 are making great strides in reading our class text, *Beetle Boy*. They are showing a wonderful ability to infer information from what they have read. Notably, today's pages sparked lively, though mixed, reactions across both classes.

## Year 6

In Science, we began our new unit on electricity. We used electrical circuit components to discover if we could change the brightness of a bulb and find out what happens if we overload a circuit.
