Curious, Kind & Connected - Weekly Update

Dear Parents and Carers,

It's been another uplifting week at Treloweth, filled with moments that reflect how curious, kind and connected our children continue to be.

On Monday, some of our Year 5 and 6 pupils represented the school at the Netball Finals.

They played with real determination and teamwork, finishing third overall – a fantastic achievement. What stood out most, though, was their sportsmanship. They encouraged others, supported one another, and were excellent ambassadors for our school.

IMPORTANT DATES:

24.11.2025 - Parent Consultations (Sunbeams, 1N, 2F, 4R, 5W, 6S)

25.11.2025 - Parent Consultations (Rainbows, 1M, 2J, 3W, 4K, 6H)

WB 1.12.2025 - Last Week of After School Clubs.

8.12.2025 - Christmas Fayre (3:20pm - 4:30pm)

9.12.2025 - Rock Steady Concert (2:30pm)

10.12.2025 - Father Christmas Visit

15.12.2025 - EYFS Christmas Nativity Performance (2pm)

17.12.2025 - Yr 1/2/3 Christmas Performance Day (9:30am/2pm/5pm)

18.12.2025 - Yr 4/5/6 Christmas Performance Day (9:30am/2pm/5pm)

Notice: Treloweth Primary School distributes fliers and magazines offering family services or posts details of local activities in the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services

THE CHOUGH

Throughout the week, every class took part in skipping workshops, and the hall was full of energy and smiles.

The children showed wonderful perseverance, enthusiasm and a real willingness to challenge themselves — such a lovely example of curiosity and resilience in action.

On Thursday, we welcomed Maths leads from across the Crofty Trust, who visited to observe teaching and learning in Maths

They were incredibly impressed by our children's behaviour for learning, their focus, and the clarity and consistency of the teaching they saw. It was wonderful to hear such positive feedback about both pupils and staff.

We are very much looking forward to seeing many of you next week for our parents' meetings. These conversations are such a valuable way to stay connected and to celebrate the progress your children are making.

As ever, if you have any questions or concerns, please do get in touch with one of the team.

**Warm regards,
Mrs French**

Talking Assembly Question:

If animals could talk,
what would they say about humans?

Class Attendance Winners:

3B, 5W, 6S & 6H with 98%

House Points Results:

	07/11	14/11	21/11	28/11	05/12	12/12	19/12
Botallack	279	346	323				
Geevor	295	394	432				
Poldark	303	420	333				
Poldice	248	266	387				

This week's winner is:
Geevor

Rainbows & Sunbeams

This week in EYFS, we have been exploring the sounds different instruments make. We went on a march with our instruments around school and tried to keep a steady rhythm.

Year 1

This week, as part of our Geography learning the children in Year 1 went on a walk in the local area. During our walk, the children enjoyed spotting physical and human features.

Year 2

In Music this week, Year 2 have been learning to recognise dot notation for the notes C, D, E, F and G. They then put their learning into action by playing songs on the glockenspiels using these notes. The children really enjoyed playing and listening to each other.

Year 3

In Year 3, we continued to look at classifying rocks in Science, but first we used our bodies to mimic the behaviour of molecules in solids, liquids and gasses.

Year 4

This week, Year 4 had a fantastic time taking part in a skipping workshop. The children loved building on the skills they learned last year and were excited to try out some new tricks too!

Year 5

In Year 5, we really enjoyed the opportunity to learn some new skipping tricks. Everyone learnt something new and we all really enjoyed the "showcase" assembly where some of the children in our class shared their skipping skills with Key Stage 2. Great efforts Year 5!

Year 6

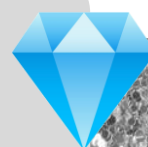

In Year 6, we have been learning about mechanical structures and mechanisms in D.T. We used K'Nex to construct a pulley system and winch so we could begin to understand how mining structures and mechanisms work.

Diamonds of The Week

NETBALL

On Monday, Mrs Price took
9 girls to represent
Treloweth in the Year 5/6
Crofty Peninsula Netball
Finals at Camborne School.

The girls were fantastic
and finished in 3rd place!

Well done girls!
