# **PE Offer at Treloweth Primary 2025-26, 2026-27**

The PE scheme of work that we use at Treloweth is Complete PE (supported by the Youth Sport Trust organisation). This broad curriculum covers all of the National Curriculum requirements for PE from Foundation through to Y6. Each unit also has CPD modules built in for non-specialist teachers.

Our Foundation stage use the Healthy Movers program (also linked to CompletePE) for their weekly PE sessions, and also follow the Ready Set Ride program created by British Cycling to introduce children to cycling. It also supports the development of gross motor skills and core strength, which forms as part of their Physical Development in EYFS.

This year we introduced a new scheme of work for Outdoor and Adventurous Activities, with Enrich Learning. This has included the installation of an orienteering course, markers and maps for our site. All teachers attended a staff training session delivered by Enrich Learning. Feedback from children and teachers has been excellent.

Y6-5 have used the Chance to Shine Cricket scheme of work to support their Spring term teaching, along side a 6 week CPD block for these teachers.

Annual subscription: £450

Children from Y6 have accessed a block of six swim sessions during the Summer term. After the first 6 week block, 63.3% of children were able to swim 25m.

Children showed they were able to use self-rescue strategies, and understand water safety concepts. All KS2 children also took part in an RNLI Lifeguard assembly, to reinforce water safety.

## Cycling Development

60 children in Year 5 have had the opportunity to take Level One Bikeability qualification this year, while 60 of our Y6's have taken Bikeability L2. 60 children in Y5-6 had the opportunity to complete L1 and 2 Bikeability.

All of our Foundation Stage and Y1 children have accessed Ready Set Ride balance bike program.

Totally children accessing cycling development programs: 180

Cost: fully funded

Big Walk/Wheel data:

Each year at Treloweth we promote active travel to parents and children across the whole school. This can involve children travelling to school by scooter, bike or walking.

|                     |                   |                      |
|---------------------|-------------------|----------------------|
| Big Walk Wheel 2024 | 34.5% of children | 1224 active journeys |
| Big Walk Wheel 2025 | 73.8% of children | 1476 active journeys |
| Big Walk Wheel 2026 | 44% of children   | 1538 active journeys |

**An unfortunate dip was seen this year, possibly due to worse weather during the two recorded weeks, and less time available to promote regular to children and parents.**

120 children have completed the new Crofty Sports Leader program. This has improved our break and lunch time offer with sports leaders carrying out various roles across the playground ensuring Treloweth has a wide range of activities avail for children throughout active break times.

Sports include basketball, netball, dance, skipping, football, handball and a wide variety of playground games.

**Welcome to Skipping Workshops**

The UK's Leading Skipping Company Since 1997

418 children have also taken part in 40 minute Skipping workshops, Sports leaders then deliver skipping skills to younger children during breaktimes

£695

**Competitive events:** 204 children from Treloweth have attended a wide range of external competitive events, held by the Crofty MAT and the Peninsular Sports Partnership. These have included: Crofty League football, Crofty football tournament, girls football, Netball, 3-4 football, Rugby, 3x3 Basketball, Dodgeball, Orienteering, multi-sports, cross country and Gymnastics.

32 children from Treloweth School also attended the **School Games** Quad Kids athletics event at Carn Brea Leisure Centre during the summer term

Over the recent years, the Crofty MAT have the largest amount of children in Cornwall attending competitive events.

Intra-school competitions take place at the end of each term, such as handball, netball, football, cricket and dodgeball. All children have had the opportunity to take part in our year group sports days, which were very well attended by parents and family members.

Costs: £2500

### **Clubs:**

Active Clubs this year have included 3-4 boys football, 5-6 boys football, 3-4 girls football, 5-6 girls football, ultimate frisbee, Kinball, cricket, cross country, fitness circuits, tennis, rounders, basketball, athletics and golf.

Where possible, clubs have been linked to the competitive events, so children have been prepared for the events during club time.

Number of children attending active clubs: 792 active places attended

Costs: £1000

The Chief Medical Officer states that children should be active for at least 30 minutes per day in school. At Treloweth, all children from class 2 to 6 complete a half term of data tracking using our Moki Bands. Data shows that we had 48 less active children. These children were targeted with our Moki Club.

Another significant development this year has been with Cornwall Healthy Schools by completing a 40 minute workshops with Healthy Cornwall focusing on Eatwell Guide, Sugar Smart, Healthy Snacks and the importance of being active.

We will continue to build this program over the coming years, which will ensure a significant number of children from Treloweth School will be able to access these funded workshops.

This is a Outdoor education program that was bought into at the end of the Spring term, 2025. It was introduced as CPD in a staff meeting for the whole staff in the Autumn Term, by a lead orienteering instructor with Enrich Learning.

Since then it has been written into our whole school PE overview, as a half term block of orienteering for each year group. Year groups have also been exploring how to use the trail to support outdoor learning in other subject areas, such as Science, Maths and Geography. This focuses on keeping children active throughout the day by developing orienteering skills, linked to all areas of the curriculum, including phonics. Orienteering stations are set up around the school grounds which link to learning cards for all subject areas. This program supports active, outdoor learning for all children and across the curriculum, while also supporting the 60/60 plan.

A group of Year Four children have also attended an orienteering event with the Crofty MAT.

Sensory station circuits are also in the process of being developed by our SENCO and PE Lead

Our Y1 and 3 children and teachers have benefited from a 6 week block of professional cricket coaching during the Spring term. Nick from Cornwall Cricket delivered sessions which involved children developing a range of core games skills that can be applied to many different sports. These skills then transferred into mini game play. CPD - Teachers have also developed their understanding of teaching generic invasion games skills, which then linked to cricket skills.

Costs: fully funded

Our SENCO and PE Lead have worked this year to develop a resource bank for staff to use to support children who are disregulated. This includes cards with games and activities which can be used quickly, with limited resources. It also include links sensory circuits within our outdoor Ed trail resources. This project will continue next year, forming evidence for the Platinum School Games Mark.

Development areas also include the use of adaptive learning cards in our CompletePE scheme of work, and daily morning sensory circuits/Fun Fit for a group of 20 children.

# Primary PE and Sport Premium - Key Indicators

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

**There are 5 key indicators that schools should expect to see improvement across:**

1. Increased confidence, knowledge and skills of all staff in teaching PE and sport
2. Engagement of all pupils in regular physical activity
3. The profile of PE and sport is raised across the school as a tool for whole school improvement
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
